## ANNUAL REPORT

**2023-24**

As one of the most sought-after colleges in the Malappuram region, **St. Mary's College** has completed 26 years of academic excellence, offering high-quality instruction and making a noteworthy contribution to the area of education. By God Almighty's grace, the **2023–2024** school year has ended without incident. Every every action we took this year demonstrated God's unwavering mercy to us. The college has earned a solid reputation in academics, athletics, and extracurricular activities by keeping up with the rigorous demands and dynamics of shaping students into global citizens.

**St. Mary's College**, a Catholic minority institution established in 1996, owned and run by the Congregation of the Sons of the Immaculate Conception (CFIC), founded by Blessed Luigi Maria Monti. The institute is located in the heart of Perinthalmanna city in Puthanangadi. The academic and extension activities of the college are derived from a defined mission statement, which not only nurtures globally competent knowledge citizens but also integrates the core values of the college with the modern goals and objectives of higher education. To make students morally upright and spiritually motivated with “**human values and social responsibility**”.

**St. Mary's College, Puthanangadi**, has been awarded in the prestigious **NAAC A+** accreditation with an outstanding score of **3.45** points in the **2024**. Five PG courses and thirteen UG courses are offered by the college. The college has spent the last 21 years working to promote academic excellence while also bringing about social change. St. Mary's wants to lead the way in creating educational establishments that prioritise excellence. In all of our endeavours to attain transcendence, we aim for excellence.

### **Our Vision**

Culture and Fraternity through Education.....

To develop the college as a unique institution, to be recognised globally for its educational excellence, and innovation, we focus towards updating the knowledge and skills through strong international initiatives and associations. The college has implemented various programmes and collaborations, which include student exchange programmes, faculty exchange programmes, and many more. Through these, students have the opportunity to

gain global perspective and enhance their skills and knowledge. Additionally, the college regularly invites renowned expert and industry leaders from different areas to deliver lectures and workshops, further fostering a culture of innovation and excellence.

## Our Mission

To transform the lives of the young, thus helping to transform the future generation and enhance a wide life-vision, leading to the concept of universal brotherhood.

## Objectives

- To offer effective teaching-learning to students by creating an environment encouraging the students and faculty to nurture their intellectual curiosity.
- To have regional consideration with regard to local needs, relevance, strength, limitations, and the community services.
- To focus on the enrichment of culture, personality development, character, and to cultivate noble ideals.
- To make students efficient in their communicative skills, thinking ability, and understanding capacity, so that they will be recognized globally as well as become socially responsible.
- To attain the best of the mental, physical, and intellectual personality of students, making them future-ready and bold citizens.
- To have a fraternal approach to fellow beings.

## CERTIFICATE / VALUE-ADDED COURSES OFFERED

For various students, certificate programs and value-added courses fulfil a variety of functions. They can occasionally be utilised to provide extra professional training and credentials or to close the gap between various academic study phases.

Department-wise, we provide almost 10 certificate courses to enrich the academic quality of our students.

## STAFF & STUDENTS

Teachers and students are the key to an educational institution's success. Teachers at St. Mary's College are highly skilled, knowledgeable, and compassionate, and they want to share their passion for their topics with the students.

We are blessed with a staff of educators who are willing to improvise and adjust to new demands and obstacles in order to bring out the best in their students. We always work to integrate creativity and innovation, which are the standards in the field of teaching.

The greatest asset of St. Mary's College is its dedicated staff and well-disciplined students. The college has:

- **80 teaching staff** (excluding the principal and physical educator)
- **25 non-teaching staff**

The total number of students across various subjects is 1576.

This area is equipped with **comfortable seating arrangements**, shaded spaces, and a lively ambiance that encourages informal discussions, group studies, and leisure activities. It serves as a perfect spot for students to **connect with peers, share ideas**, and foster friendships. Its vibrant and friendly environment promotes a sense of community and enhances the overall student experience on campus.

## Parent Teacher Association

A General body meeting of parents is held on a regular basis, and new members of the PTA were nominated for the year 2023-24. Parents provide valuable feedback and suggestions to the teachers, and teachers, in return, provide them with academic work done for improvement. The PTA is a group of closely-knit individuals who work together for the betterment of the students. We thank and congratulate them for their continuous support and cooperation.

## Academic Performance

Competitions and academic activities encourage and foster a healthy and competitive spirit. The activities are conducted at classroom level, college level, and intercollegiate level. Some of them are essay writing, elocution, slogan writing competitions... and so on.

## Celebrations

We celebrated Onam in a grand and traditional manner. Our students arranged colorful competitions, such as floral carpet and tug of war. Thirteen departments of the college had

arranged an Onam feast in connection with the celebrations. Most of the delicious items in the *sadya* were prepared by themselves at home. The students brought them to the college, served, and tasted them in a harmonious way. The most interesting floral carpet competition took place effectively. Thirteen floral carpets were arranged in various departments on a department basis. The presents and prizes were distributed by the Principal.

The color of St. Mary's College turned to red and white for welcoming Santa of the year during the Christmas celebration. The Principal addressed the gathering and talked about the importance of Christmas. Lucky staff and students of the day were selected, and gifts were distributed to them. Prizes were distributed to the winners of the Christmas card competition and Treasure Hunt competition. There were varieties of performances like carol songs and dances by the students. Santa Claus paraded the auditorium, cheering the audience.

## **CARE – Helping the Mentally Retarded**

As a social service, we, the St. Mary's College, provide a helping hand to the Vettathur Aakashapparavakal by offering them medicine, dress, and day-to-day life materials with the help of our students.

## **Women's Development Cell**

The Women's Cell aims at empowering and orienting women to recognize their true potential and to help them attain their own stand in a competing world. Its goal is the overall development in all spheres of their life. *Fu Zu*, an innovation to arouse the sportsman spirit among the women players in cricket and football, is part of SAKMET – a sports meet for women. This initiative aims to provide a platform for female athletes to showcase their skills and compete against one another. SAKMET not only encourages participation but also promotes gender equality in the world of sports. By organizing tournaments and providing training opportunities, *Fu Zu* hopes to empower women and inspire them to pursue their dreams.

## **NSS**

The objective of NSS is to create social awareness among the students and foster the all-round development of their personality. The NSS unit of this college conducts regular and special camps, awareness classes, demonstrations, personality development programs, etc., for the volunteers. Blood donation to the needy and required patients is a laudable activity of the NSS.

## **Faculty Development Program**

The faculty is continuously supported and encouraged to participate in a variety of

conferences, seminars, and initiatives for faculty development. The FDP programs concentrate on the FYUGP program's implementation as well as the most recent developments in their domains. Both the academic achievement of the pupils and the educational atmosphere are greatly improved by this. The teaching team eagerly takes part in these activities to learn new teaching techniques and hone their craft so they can support the students' academic and professional development.

## **Training, Seminars, Orientation, and Counseling**

Every academic year, training, seminars, and orientation programs are conducted for teachers and students to improve and implement innovative ideas in teaching-learning practices, as well as to take the students beyond their current level of learning. This year too, all the teachers and students participated in various training and orientation programs.

## **Examination and Results**

Every department offered training programs, seminars, and motivational classes to the students based on their relevance. On university exams, our students consistently achieve high scores and a few ranks. Ninety percent (**90%**) was the total outcome for this school year. This outstanding achievement is a result of the diligence and commitment of both teachers and pupils. It is evidence of the excellent calibre of instruction and the dedication to excellence in our school. We are immensely pleased with the advancements and will keep working to achieve much more in the future.

The conduct of both the university examinations and internal examinations was done with due seriousness and preparations abiding by the university guidelines. The college maintains good results in university examinations. I would like to congratulate the students who would be receiving awards for proficiency in studies.

## **Bridge Course**

A Bridge Course was conducted for two weeks for newly admitted BA/B.Sc./B.Com students. A test paper was conducted towards the end of the program to identify the slow and advanced learners.

## **Discipline and Values**

We maintain a serious academic system blended with discipline and values under the guidance of HODs of various departments. Our college provides counseling and guidance to students according to their needs. Our dedicated team of HODs ensures that students receive the necessary support to excel in their academic pursuits. They not only focus on

imparting knowledge but also instill values such as integrity and responsibility in our students. Through counseling and guidance, our college aims to help students navigate any challenges they may face, ensuring their holistic development and success.

## **Associations**

Various associations such as the commerce association (SPINTA), English association (DIACHRONOS), Economics association (ECONOMICA), Computer association (TECHNOCRACY), History association, Physics association, Maths association (MATHLEITE), Psychology association, Malayalam association (MALAYANMA), and Hindi association (AAVAS) function in our college in accordance with their purpose.

## **Co-Curricular and Extra-Curricular Activities**

Every activity in college life plays a significant role in a student's development. Co-curricular activities are an essential part of college life as they help to enhance the learning process of the students. Through these activities, we strive to bring in social skills, intellectual skills, moral values, personality progress and character appeal in our students.

Some of these events are Card making, Poster making, Collage making, best out of waste .....etc.

## **Anti-Ragging Cell**

Our college's anti-ragging cell is quite active and effectively carrying out its duties. Strict guidelines have been put in place to guarantee that every student may learn in a welcoming and safe atmosphere. The cell regularly hosts workshops and awareness campaigns to inform students about the negative effects of ragging. They have also established a helpline number and encourage students to anonymously report any instances of ragging. Their efforts have resulted in a notable decrease in ragging incidences at our college, promoting a welcoming and positive campus culture.

## **Anti-Narcotic Cell**

Our anti-drug cell has organised a number of awareness programs for pupils. Young people are intended to learn about the risks and repercussions of drug addiction via these classes. By means of interactive workshops and educational presentations, we aim to provide students with the necessary knowledge and abilities to make wise choices and withstand peer pressure. Developing a generation that is committed to living a healthy, drug-free lifestyle and resilient against the attraction of drugs is our aim.

## A Word of Thanks

It is a delight for me to take this opportunity to sincerely thank everyone who has contributed essential support and direction to the institution's seamless operation. For their invaluable assistance and encouragement, I am thankful to the Provincial and his counsellors at CFIC Congregation. For their assistance, I would want to thank the entire Luigi Bhavan community. For their genuine and dedicated devotion to the college, I also want to express my gratitude to the teaching and non-teaching personnel of St. Mary's College. I would want to take this opportunity to thank everyone of the Puthanangadi community's members, including the students, parents, friends, and benefactors, for their assistance in making our institution work smoothly.

*THANK YOU ALL*
