Principal's Message

Rev. Dr. Denny C.M.

It is a matter of great satisfaction to present another edition of our IQAC Magazine, which reflects the vibrant academic life, achievements, and continued progress of St. Mary's College, Puthanangadi. Every new academic year opens new opportunities to inspire, innovate, and excel, and this year has begun with renewed enthusiasm and a strong commitment to academic excellence.

I am delighted to note that the College has witnessed an excellent admission this academic year, with almost all programmes recording outstanding enrolment. This is a clear indication of the growing trust and confidence that students and parents place in our institution, encouraging us to strive for even greater achievements.

The academic year commenced with a variety of programmes designed to enrich the academic and personal growth of our students. One of the major milestones was the Convocation Ceremony for the Passing-Out PG Students, where we proudly celebrated the accomplishments of our graduating students. The Freshers' Day programme was another memorable occasion that showcased the talents, enthusiasm, and creativity of our newcomers, giving them a warm welcome into the St. Mary's family.

Our commitment to social responsibility was reflected in the successful "Toofan" Anti-Drug Awareness Campaign, organised in association with the Perinthalmanna Block Panchayat. The programme received an overwhelming response and inspired our students to stand united against drug abuse, promoting the values of a healthy and responsible society.

Another memorable event was the name reveal of Marianova 2K26, our upcoming Management Fest, which has generated great excitement and anticipation among the students. The fest is envisioned as a life-enriching experience, providing students with opportunities to develop their managerial, leadership, communication, and teamwork skills. We also celebrated Onam over two days with separate programmes for students and staff, strengthening the spirit of unity, togetherness, and belonging within the institution while celebrating our rich cultural heritage.

The various Department Association programmes, orientation sessions, and student camps organised on the campus have provided valuable opportunities for students to know one another better, build meaningful friendships, and develop a stronger sense of belonging to the institution. These initiatives have encouraged active student participation and made the campus more vibrant, engaging, and student-centred.

As we move forward, we eagerly look forward to many more innovative academic, cultural, and co-curricular programmes that will continue to enlighten the minds of our students, nurture their talents, and prepare them to become competent professionals and responsible citizens.

I sincerely appreciate the dedicated efforts of the IQAC Magazine Editorial Team for documenting the achievements and milestones of our institution. I congratulate everyone who has contributed to this edition and wish the magazine continued success.

IQAC Coordinator's Message
Mr.Abdul Musabir K.

Greetings to everyone.

With new hopes, fresh ideas, and renewed energy, we have begun another academic year. For St. Mary's College, this is a time to take new steps, explore new possibilities, and move towards greater achievements. Building on the successes of the previous year, we look forward to another year of meaningful activities, new initiatives, and remarkable accomplishments.

The academic year has started on a proud note for St. Mary's College with the achievement of the National Sustainable Award. This is another important milestone in the history of our College and reflects our continued efforts towards sustainability and excellence. I extend my sincere congratulations to everyone who contributed to this achievement.

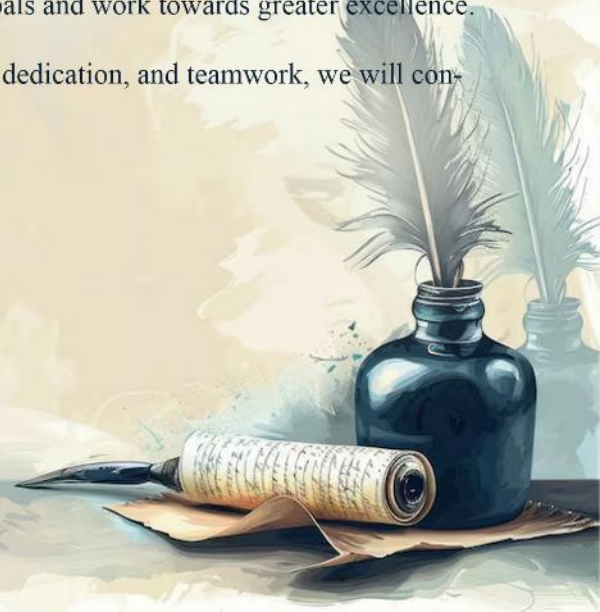

This IQAC Magazine presents a glimpse of the activities and achievements of the College during the first three months of the academic year. In this short period, more than 100 different programmes and activities have been organised. I would like to express my sincere thanks to all the departments, cells, clubs, committees, teachers, and students for their valuable support and cooperation in making these programmes successful.

As a new group of students joined our College, we were able to organise week-long Induction Programmes to welcome them and help them become familiar with the College environment. Various training programmes were also organised for teachers and students. We also successfully conducted several important programmes, including the PG Convocation, ACCA Convocation, Excellantia Award Ceremony, Onam Celebrations, and many other academic and co-curricular activities.

These achievements are the result of the collective efforts and dedication of the entire St. Mary's community. Every achievement encourages us to set new goals and work towards greater excellence.

We still have many more milestones to achieve. With unity, dedication, and teamwork, we will continue to move forward and achieve greater heights together.

Internal Quality Assurance Cell - IQAC

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure.

Vision

To make quality the defining element through a combination of self and external quality evaluation, promotion and sustenance initiatives.

Since quality enhancement is a continuous process, the IQAC will become a part of the St.Mary's College system and work towards realisation of the goals of quality enhancement and sustenance.

Mission

To arrange for periodic assessment and evaluation of activities and events in the institution

To stimulate the academic environment for promotion of quality of teaching-learning.

To encourage self-evaluation, accountability, autonomy and innovations To undertake quality-related research studies, consultancy and training programmes.

To collaborate with other stakeholders of higher education for quality evaluation, promotion and sustenance.

Objectives & Functions

To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.

To promote measures for institutional functioning towards quality enhancement through internalization

of quality culture and institutionalization of best practices.

Preparation and submission of Self Study Report (SSR).

Facilitating Institutional Strategic Planning Forums.

Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.

Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.

Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes.

Dissemination of information on various quality parameters of higher education.

Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.

Documentation of the various programmes/activities leading to quality improvement.

Development of Quality Culture in the institution.

Co-ordinating quality-related activities, including adoption and dissemination of best practices.

Development and maintenance of an institutional database through MIS for the purpose of maintaining /enhancing the institutional quality.

Conduct of Annual Academic and Administrative Audit and its follow-up.

Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.

Preparation of the documents as per guidelines and parameters of NAAC, to be submitted to NAAC.

Strategies

Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.

The relevance and quality of academic and research programmes.

Equitable access to and affordability of academic programmes for various sections of society.

Optimization and integration of modern methods of teaching and learning.

The credibility of evaluation procedures.

Ensuring the adequacy, maintenance and functioning of the support structure and services.

Research sharing and networking with other institutions in India and abroad.

Benefits

Ensure a heightened level of clarity and focus in institutional functioning towards quality enhancement.

Ensure internalization of the quality culture.

Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices.

Provide a sound basis for decision-making to improve institutional functioning.

Act as a dynamic system for quality changes in HEIs.

Build an organised methodology of documentation and internal communication.

ANOTHER PROUD MILESTONE IN THE JOURNEY OF ST. MARY'S EXCELLENCE

St. Mary's College, Puthanangadi, has achieved another significant milestone in its journey of excellence by receiving the National Sustainable Award 2026 at the Bharat Environment Program – Sustainable Campus Impact Summit and Awards 2026. The prestigious event recognized institutions demonstrating commendable commitment to environmental sustainability and responsible campus development.

The award is a proud recognition of the college's continued efforts towards promoting sustainable practices, environmental awareness, and responsible institutional development. It reflects the collective commitment of the management, faculty, students, and staff towards building a greener and more sustainable campus.

The award was received by the college representatives during the award ceremony in the presence of distinguished guests and delegates. This national-level recognition adds another remarkable achievement to the history of St. Mary's College and strengthens its vision of excellence with social and environmental responsibility.

GRADNOVA – Passing Out Ceremony for PG Students

St. Mary's College, Puthanangadi organized GRADNOVA – Passing Out Ceremony for PG Students (2024–2026 Batch) on 5 August 2026 at 4:30 p.m. at the College Auditorium. The ceremony celebrated the successful completion of the postgraduate programmes and marked the beginning of a new chapter in the lives of the graduating students. T. J. Martin, Syndicate Member, University of Calicut, was the Chief Guest, while Rev. Fr. Jose Mathew Parayil, Provincial Superior, CFIC India, delivered the Presidential Address.

The dignitaries congratulated the graduates on their achievements and encouraged them to uphold the values of integrity, hard work, and social commitment in their future endeavours. Faculty members, parents, and students gathered to make the occasion memorable and to honour the academic accomplishments of the outgoing batch. The programme served as an inspiring platform for the graduates to reflect on their journey at St. Mary's College and to step confidently into new opportunities in higher education, research, and professional careers.

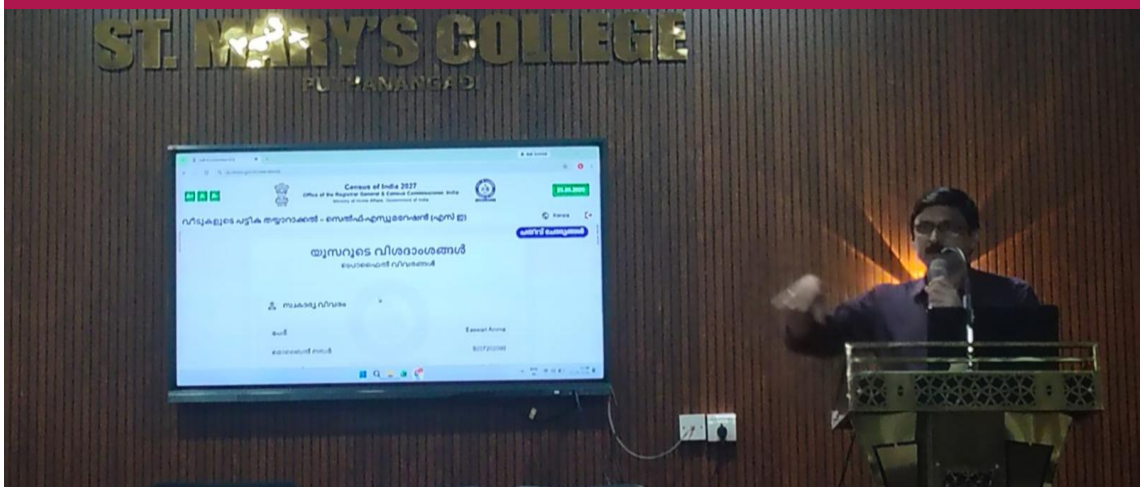

EXCELLENTIA 2K26

St. Mary's College, Puthanangadi organized EXCELLENTIA 2K26, a special felicitation programme to honour students who secured outstanding achievements in the Plus Two examinations. The programme was held on 10 June 2026 with the objective of recognizing and celebrating the academic excellence of meritorious students. The programme was inaugurated by Adv. Najma Thabsheera, President, Perinthalmanna Block Panchayat, who congratulated the achievers and encouraged them to pursue higher education with dedication and confidence. The function was presided over by Ms. Mubina, Vice President, Angadippuram Grama Panchayat.

The event provided an inspiring platform to appreciate the hard work and achievements of the students and to motivate them towards greater academic and personal accomplishments. The felicitation programme was a memorable occasion for the students, parents, teachers, and the entire St. Mary's community.

Census Self-Enumeration Orientation for Teachers

The Internal Quality Assurance Cell (IQAC) of St. Mary's College, in association with the Perinthalmanna Taluk Office, organized a Census Self-Enumeration Orientation for Teachers on 23 June 2026 at 2:30 PM in the Audio-Visual Hall. The programme aimed to familiarize faculty members with the Census Self-Enumeration process and highlight the importance of accurate and timely participation. Officials from the Perinthalmanna Taluk Office provided a detailed orientation on the objectives and significance of the Census, eligibility criteria, and the online self-enumeration procedure. A practical demonstration was conducted on accessing the Census portal, entering household details, verifying information, and submitting the completed form.

The interactive session enabled faculty members to gain practical knowledge of the digital self-enumeration process and clarify their queries regarding the procedure. It also emphasized the role of educational institutions in promoting public awareness and encouraging wider participation in the census. The programme successfully enhanced the faculty members' understanding of census self-enumeration and equipped them to disseminate the information among students and the community. The session concluded with a vote of thanks to the officials of the Perinthalmanna Taluk Office and all faculty members for their active participation.

Certificate Distribution Ceremony for S.I.R. 2026

St. Mary's College had the privilege of hosting the Certificate Distribution Ceremony for Booth Level Officers (BLOs) and Supporting Institutions that contributed to the successful implementation of the Special Intensive Revision (SIR) 2026 of the Electoral Roll. Organized by the Perinthalmanna Taluk Office, the programme also marked the inauguration of the Self-Employment Campus. Government officials, BLOs, representatives of supporting institutions, faculty members, NSS volunteers, and students attended the ceremony. Certificates of appreciation were presented to individuals and institutions in recognition of their valuable contributions to the successful conduct of the SIR campaign.

St. Mary's College received special appreciation from the Perinthalmanna Taluk Office for its wholehearted support and active involvement in the campaign. The NSS Unit of the College was also specially recognized for the dedicated service and active participation of its volunteers in voter awareness activities, data collection support, and field-level initiatives. The recognition reflects the institution's commitment to community engagement, democratic values, and social responsibility. The programme concluded with a vote of thanks, acknowledging the collective efforts of all stakeholders who contributed to the successful implementation of SIR 2026.

Convocation Ceremony Celebrating Global Academic Achievement

The Internal Quality Assurance Cell (IQAC) of St. Mary's College, Puthanangadi, organized a Convocation Ceremony on 22 June 2026 at 2:00 PM in the Audio-Visual Hall to honour the academic excellence and global achievements of students who successfully completed the dual-qualification programme in BSc in Business Management with International Finance, offered in collaboration with Queen Margaret University (QMU), Edinburgh, Scotland, UK. The ceremony was presided over by Rev. Dr. Denny C. M., Principal, who congratulated the graduates and encouraged them to pursue their professional journeys with integrity, excellence, and a global outlook. Mr. Arjun Raj, Regional Manager, Kerala ISDC, inaugurated the programme, highlighting the significance of internationally recognized qualifications and global academic collaborations. Dr. Nikhil M., Associate Academic Head, Kerala ISDC, attended as Chief Guest and emphasized industry-oriented education, professional competence, and lifelong learning.

The highlight of the ceremony was the presentation of certificates to the graduating ACCA students, marking the successful completion of their dual-qualification journey. The event provided a memorable platform to celebrate the students' achievements while inspiring the wider student community to aspire towards academic excellence and international professional standards. The ceremony reaffirmed the institution's commitment to providing globally relevant education and nurturing professionally competent graduates. The programme concluded with a vote of thanks to the management, ISDC representatives, faculty members, graduates, students, and all those who contributed to its successful organization.

Student Induction Programme – Deeksharambh 2026

St. Mary's College, Puthanangadi, organized the Student Induction Programme – "Deeksharambh 2026" on 6 and 7 July 2026 for newly admitted first-year students. The programme was designed to provide a warm welcome to the freshers and facilitate their smooth transition into the academic environment, institutional culture, and values of the College. The sessions were led by Mr. Aswin P. K., Research Scholar in Commerce, MES Mampad College (Autonomous), Malappuram, who engaged the students through inspiring presentations and interactive sessions. He highlighted the importance of higher education, personal development, effective communication, discipline, goal setting, and lifelong learning, while also familiarizing students with the College's vision, mission, academic regulations, support services, and campus opportunities.

The programme featured interactive activities and motivational sessions that encouraged students to develop confidence, a positive attitude, effective interpersonal skills, and healthy relationships with peers and faculty members. The engaging sessions helped the newcomers gain a better understanding of college life and inspired them to approach their academic journey with enthusiasm and purpose. With active and enthusiastic participation from the students, Deeksharambh 2026 successfully laid a strong foundation for their holistic development and meaningful academic experience at St. Mary's College.

FACULTY ORIENTATION PROGRAMME – "EXPLORE THE UNEXPLORED"

The Internal Quality Assurance Cell (IQAC) of St. Mary's College, Puthanangadi, organized a Faculty Orientation Programme titled "Explore the Unexplored" on 12 June 2026 at the Audio Visual Hall. The programme aimed to inspire faculty members towards continuous professional development, workplace effectiveness, and personal growth in the evolving educational landscape. The session was led by Adv. Dinesh A, who shared valuable insights on professional excellence, adaptability, innovation, effective communication, leadership, teamwork, and time management. Through practical examples and interactive discussions, he encouraged faculty members to embrace challenges, explore new opportunities, and enhance their academic and administrative competencies.

The session also focused on personal development and self-discovery, highlighting the importance of self-confidence, emotional intelligence, resilience, and a healthy work-life balance. Faculty members actively participated in the discussions and reflected on their professional practices and areas for improvement. The programme provided an enriching platform for sharing experiences and fostering a growth-oriented mindset, motivating participants to adopt innovative approaches in their teaching and institutional responsibilities. The session was highly informative and inspiring, reinforcing the spirit of "Explore the Unexplored" and strengthening the faculty's commitment to continuous professional and personal excellence.

ORIENTATION PROGRAMME ON INTERNATIONAL OPPORTUNITIES AND CHALLENGES

As part of the Explore the Unexplored initiative, St. Mary's College, Puthanangadi, organized an Orientation Programme on International Opportunities and Challenges for second-year postgraduate students on 7 August 2026 at 10:00 a.m. in the Audio Visual Hall. The session was led by Rev. Fr. Shimit, who provided valuable insights into international opportunities available to postgraduate students in the areas of higher education, research, scholarships, employment, and career development. He also highlighted the challenges associated with pursuing opportunities abroad, including adapting to diverse academic and cultural environments, developing relevant skills, and making informed career choices.

The interactive session encouraged students to look beyond conventional career pathways and develop a broader global perspective. Students actively participated in the programme and benefited from the practical guidance and insights shared by the resource person. The orientation served as a valuable platform for helping postgraduate students identify international opportunities, understand potential challenges, and prepare themselves for future academic and professional pursuits. The programme concluded successfully with enthusiastic participation from the students.

MINOR SELECTION ORIENTATION PROGRAMME

The Internal Quality Assurance Cell (IQAC) of St. Mary's College, Puthanangadi, organized a Minor Selection Orientation Programme for first-year undergraduate students on 21 July 2026 at 9:00 AM in the College Auditorium. The programme was facilitated by Mr. Anandan A. P., FYUGP Academic Coordinator, with the objective of familiarizing students with the Minor course framework under the FYUGP. The session covered the concept and structure of Minor courses, credit requirements, eligibility criteria, and the procedure for selecting a Minor discipline. The facilitator emphasized the importance of interdisciplinary learning and encouraged students to select courses based on their interests, aptitude, and future career aspirations.

Following the general orientation, individual academic departments introduced their respective Minor programmes, highlighting their objectives, curriculum, learning outcomes, skill development opportunities, and career prospects. Students actively interacted with faculty members and clarified their queries regarding the available options and academic regulations. The programme enhanced students' awareness of the Minor course system and empowered them to make informed academic choices, reinforcing the institution's commitment to student-centred and multidisciplinary learning under the FYUGP framework.

STUDENT INDUCTION PROGRAMME – "EXPLORE THE UNEXPLORED"

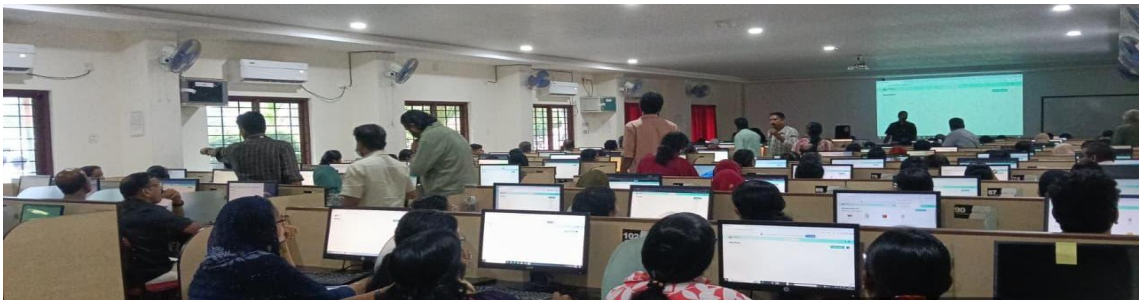

The Internal Quality Assurance Cell (IQAC) of St. Mary's College, Puthanangadi, organized a four-day Student Induction Programme titled "Explore the Unexplored" for newly admitted first-year postgraduate students from 13 to 16 July 2026. The programme commenced with an inaugural session led by Rev. Dr. Denny C. M., Principal, who welcomed the students and emphasized academic excellence, discipline, values, and holistic development. The keynote address was delivered by Mr. Ajith Geejo, Assistant Professor, SNES Institute of Management Studies and Research, and Certified JCI Trainer, who engaged the students in an inspiring session on self-confidence, leadership, communication, and personal growth.

Throughout the four-day programme, students participated in orientation sessions covering the academic curriculum, examination system, library and digital learning facilities, mentoring, research opportunities, student support services, anti-ragging measures, and campus regulations. Departments also introduced their faculty members, academic programmes, research activities, and expectations, helping students become familiar with their respective disciplines. Interactive activities, motivational sessions, and group interactions fostered teamwork, confidence, and a sense of belonging. The programme successfully facilitated the students' transition into postgraduate life and encouraged them to begin their academic journey with enthusiasm, confidence, and a clear vision for personal and academic excellence.

PUBLIC SOFTWARE TRAINING FOR LIBRARIANS

The Internal Quality Assurance Cell (IQAC) of St. Mary's College, Puthanangadi, in association with the District Library Council, organized a Public Software Training for Librarians on 2 June 2026 from 9:30 AM to 4:30 PM. The programme aimed to strengthen the digital competencies of librarians and familiarize them with modern software tools and technologies for efficient library management and information services. The programme was presided over by Rev. Dr. Denny C. M., Principal, St. Mary's College, and inaugurated by Dr. K. K. Balachandran, State Library Council Member, who highlighted the importance of technological advancement and continuous digital skill development in modern library services.

The training provided librarians with practical exposure to software applications related to library administration, cataloguing, digital resource management, and information dissemination. Participants from various institutions actively engaged in demonstrations, discussions, and interactive sessions, gaining valuable insights into library automation and emerging trends in digital information management. The programme was well received by the participants, who appreciated its relevance in enhancing professional competencies and promoting the effective integration of technology into library services.

TWO-DAY STUDENT ORIENTATION PROGRAMME – "EXPLORE THE UNEXPLORED"

The Internal Quality Assurance Cell (IQAC) of St. Mary's College, Puthanangadi, organized a two-day orientation programme titled "Explore the Unexplored" for second- and third-year UG and PG students on 30 June and 1 July 2026 at the College Auditorium. The programme was designed to inspire students to discover their potential, develop a positive approach to learning, and build the confidence and skills required for academic, personal, and professional success. The sessions were led by Rev. Dr. Roy Joseph Vadakkan, Assistant Professor, Jyothi Engineering College (Autonomous), Cheruthuruthy, Thrissur, who engaged students through interactive activities, motivational sessions, and thought-provoking discussions.

The programme focused on self-discovery, goal setting, leadership, communication skills, emotional resilience, time management, continuous learning, and developing a growth mindset. Students were encouraged to move beyond their comfort zones, embrace challenges, and pursue new opportunities with self-discipline and perseverance. Active participation in the sessions enabled students to reflect on their aspirations, strengths, and future goals while developing confidence and a proactive attitude towards academic and life challenges. The programme provided an inspiring platform for students to cultivate personal excellence and emerge as responsible, confident, and socially committed individuals.

TWO-DAY RESIDENTIAL CAMP FOR FIRST-YEAR PG STUDENTS

The Internal Quality Assurance Cell (IQAC) of St. Mary's College, Puthanangadi, organized a Two-Day Residential Camp for first-year postgraduate students on 24 and 25 July 2026 at the College campus. The camp was designed to strengthen students' confidence, interpersonal relationships, leadership abilities, and essential life skills through an engaging residential learning experience. The sessions were facilitated by Mr. Harish Avethan, International Trainer & Mentor and CEO, Destination Education, Dubai, who used interactive training methods to encourage students to identify their strengths, improve communication skills, and develop a positive and growth-oriented mindset.

The programme featured motivational sessions, team-building activities, leadership exercises, experiential learning, problem-solving tasks, group discussions, and recreational activities that promoted active participation and collaboration. The residential setting provided students with opportunities to build friendships, develop a sense of belonging, and experience meaningful learning beyond the classroom while fostering discipline, cooperation, and mutual respect. Seventy students participated enthusiastically in the camp and shared their reflections during the concluding feedback session. The programme successfully contributed to the holistic development of the students and prepared them for their postgraduate journey by nurturing confidence, leadership, teamwork, and interpersonal skills.

FIVE-DAY STUDENT INDUCTION PROGRAMME FOR FIRST-YEAR UG STUDENTS

The Internal Quality Assurance Cell (IQAC) of St. Mary's College, Puthanangadi, organized a Two-Day Residential Camp for first-year postgraduate students on 24 and 25 July 2026 at the College campus. The camp was designed to strengthen students' confidence, interpersonal relationships, leadership abilities, and essential life skills through an engaging residential learning experience. The sessions were facilitated by Mr. Harish Avethan, International Trainer & Mentor and CEO, Destination Education, Dubai, who used interactive training methods to encourage students to identify their strengths, improve communication skills, and develop a positive and growth-oriented mindset.

The programme featured motivational sessions, team-building activities, leadership exercises, experiential learning, problem-solving tasks, group discussions, and recreational activities that promoted active participation and collaboration. The residential setting provided students with opportunities to build friendships, develop a sense of belonging, and experience meaningful learning beyond the classroom while fostering discipline, cooperation, and mutual respect. Seventy students participated enthusiastically in the camp and shared their reflections during the concluding feedback session. The programme successfully contributed to the holistic development of the students and prepared them for their postgraduate journey by nurturing confidence, leadership, teamwork, and interpersonal skills.

FIVE-DAY STUDENT INDUCTION PROGRAMME FOR FIRST-YEAR UG STUDENTS

The Internal Quality Assurance Cell (IQAC) of St. Mary's College, Puthanangadi, organized a five-day Student Induction Programme for newly admitted first-year undergraduate students from 8 to 14 July 2026. The programme was inaugurated by Rev. Dr. Denny C. M., Principal, who welcomed the students and encouraged them to pursue academic excellence, discipline, and value-based education. The programme featured sessions by experts from academic and professional fields on personality development, communication skills, life skills, mental well-being, career planning, leadership, digital literacy, and institutional values. Faculty members also familiarized students with the curriculum, academic regulations, examination system, library and digital learning facilities, mentoring system, student support services, and campus policies.

Interactive sessions, ice-breaking activities, and departmental orientations enabled students to develop confidence, establish peer connections, and become familiar with the academic and social environment of the College. The programme encouraged students to approach their higher education journey with enthusiasm, responsibility, and a positive outlook. By providing comprehensive academic orientation along with opportunities for personal and social development, the induction programme successfully laid a strong foundation for the students' college life and fostered a sense of belonging, motivation, and readiness to embrace new opportunities and challenges.

STAFF ONAM CELEBRATION

St. Mary's College celebrated Onam with its teaching and non-teaching staff on 22 August 2026 at the College campus, bringing together the staff community in a spirit of joy, unity, and togetherness. The celebration featured a vibrant array of cultural and recreational activities, including a graceful Thiruvathirakkali by the lady teachers and lively dance performances by the staff members. Rev. Fr. Chacko Kochuparambil conveyed warm Onam wishes and highlighted the values of unity, harmony, mutual respect, and collective celebration that define the spirit of Onam.

The festivities continued with a variety of fun games, including ball passing and musical chairs, creating moments of laughter and enthusiastic participation. The department-wise tug-of-war added excitement to the celebration, with the Commerce Department emerging as the winners through excellent teamwork and coordination. The celebrations culminated in a traditional Onasadya, followed by the distribution of gifts to staff members by the College management as a gesture of appreciation. The event provided a memorable occasion for the entire staff community to celebrate Kerala's rich cultural heritage while strengthening the bonds of fellowship, cooperation, and camaraderie within the institution.

STUDENTS' ONAM CELEBRATION

St. Mary's College, Puthanangadi, celebrated Onam on 21 August 2026 with great enthusiasm and festive spirit, bringing together students and staff in a celebration of Kerala's rich cultural heritage. The programme aimed to foster unity, harmony, and togetherness through a variety of cultural activities, entertainment programmes, and traditional games. The festive atmosphere reflected the spirit of Onam and its values of prosperity, equality, social harmony, and collective celebration. Participants had the opportunity to appreciate Kerala's cultural traditions while strengthening bonds of friendship and cooperation within the college community.

The celebration featured a range of traditional and recreational games, including Uriyadi, lemon-and-spoon race, musical chairs, tug-of-war, and sack race, which generated excitement and enthusiastic participation. The activities promoted teamwork, coordination, friendly competition, and active engagement beyond the classroom environment. The tug-of-war was particularly engaging, while Uriyadi added a traditional touch to the festivities. The celebration concluded on a joyful and memorable note, reinforcing the values of unity, cooperation, inclusiveness, and cultural appreciation and providing the college community with cherished memories of a vibrant Onam celebration.

Department of Computer Science

ABOUT THE DEPARTMENT.

The Department of Computer Science at St Mary's College is a unique hub in the field of advanced learning. The Department started functioning in 2012. It offers undergraduate courses in Computer Science. The Department moulds young, outstanding professionals who are academically strong and capable of achieving their dreams. Special orientation is provided to the staff periodically for updating the latest technological changes. The department aims at achieving academic excellence by imparting in-depth knowledge to the students through effective pedagogies and hands-on experience on the latest tools and technologies. Our vision is to equip graduates to be technologically adept, innovative, self-motivated, and responsible citizens who possess human values and contribute significantly to the nation's prosperity.

Vision

To equip graduates to be technologically adept, innovative, self-motivated, and responsible citizens who possess human values and contribute significantly to the nation's prosperity.

Mission

To achieve academic excellence by imparting in-depth knowledge to the students through effective pedagogies and hands-on experience with the latest tools and technologies.

The Department of Computer Science, in association with the Nature Club of St. Mary's College, Puthanangadi, organized a World Environment Day Tree Plantation Programme on 5 June 2026 under the theme "Planting Today, Sustaining Tomorrow." The programme aimed to promote environmental awareness and sustainable practices among students. A total of 20 students, along with four faculty members and coordinators, participated in the programme.

The plantation drive was conducted along the roadside of Puthanangadi and within the college campus. Students planted saplings in selected areas, contributing to the enhancement of green cover and environmental conservation. The programme concluded successfully, reinforcing the importance of environmental responsibility and the collective commitment towards a greener and sustainable future.

Yoga for Mental Health

The Department of Computer Science, St. Mary's College, Puthanangadi, organized a programme titled "Yoga for Mental Health" on 22 June 2026 at the college auditorium. The session, led by Vijayakumar, focused on promoting mental well-being, stress management, and emotional balance among students. The programme began with a welcome address by Shameem Babu, Head of the Department of Computer Science, who highlighted the importance of yoga and meditation in managing academic stress and improving concentration.

The resource person explained the benefits of regular yoga practice and conducted demonstrations of simple yoga postures, breathing exercises, relaxation techniques, and guided meditation. A total of 58 students from Final Year BCA and Second Year B.Sc. Artificial Intelligence actively participated in the session. The programme provided students with practical strategies for maintaining mental and emotional wellness and concluded with a vote of thanks.

Future Pathways in BCA, BSc Artificial Intelligence & BSc Cyber Security

The Department of Computer Science organized a Career Orientation Programme for first-year students to introduce them to the academic and career opportunities in BCA, Artificial Intelligence, and Cyber Security. The session was handled by Mr. Jobin Sebastian, Co-Founder & CEO, Ralfiz Technologies LLP, who shared insights into emerging technologies, current IT industry trends, career opportunities, higher education, global certifications, internships, and essential skills for future professionals.

The interactive session also provided students with guidance on career planning, placements, and developing industry-relevant skills. A question-and-answer session enabled students to clarify their doubts regarding higher studies and employment opportunities. The programme successfully motivated students to explore emerging technology fields and make informed academic and career decisions.

DWMS Orientation and Profile Visibility Training

The Department of Computer Science organized a DWMS Orientation and Profile Visibility Training on 13 August 2026 at the Computer Lab. The session was conducted from 12:30 p.m. to 1:30 p.m. with the objective of familiarizing students with the Digital Workforce Management System (DWMS) and its role in enhancing career opportunities and professional visibility.

Ms. Drisya Devi, Intern, Vijnanakeralam, served as the resource person and provided guidance on effectively using DWMS and creating a visible professional profile. The session helped students understand the importance of digital career platforms and encouraged them to make better use of available employment and career-development opportunities.

NPTEL MOOC Orientation Programme

The Department of Computer Science, St. Mary's College, Puthanangadi, organized a SWAYAM–NPTEL MOOC Orientation Programme for Final Year BCA students on 13 July 2026 at Room A-39. Ms. Sneha K. P., Head, Department of Chemistry, served as the resource person and familiarized students with the benefits of SWAYAM–NPTEL courses, registration, certification, and their relevance to academic and career development.

Following the orientation, 52 final-year BCA students successfully registered for the 8-week SWAYAM–NPTEL Database Management System (DBMS) course, commencing on 20 July 2026. The programme enhanced students' awareness of online certification opportunities and encouraged them to pursue self-paced learning to strengthen their subject knowledge and employability skills.

Workshop on "Powering AI with Modern Infrastructure"

The workshop on "Powering AI with Modern Infrastructure" was led by Mr. Szen John Providence, Manager – Technical Services, IPSR Solutions Ltd. The session provided students with insights into modern computing infrastructure, cloud technologies, servers, data centres, and their role in supporting Artificial Intelligence, along with practical exposure to cloud computing and DevOps concepts.

The programme was inaugurated by Rev. Dr. Denny C. M., Principal. Students actively participated in the technical sessions and gained practical knowledge of real-world deployment, automation, and infrastructure management. The workshop enhanced their understanding of AI infrastructure, cloud computing, and DevOps, connecting academic learning with current industry practices.

Two-Day Residential Camp

The Department of Computer Science, St. Mary's College, Puthanangadi, organized a two-day residential camp for Final Year BCA students on 14th and 15th August 2026 at the College Campus. The camp aimed to develop students' life skills, leadership, teamwork, self-confidence, communication, and interpersonal skills through training sessions, interactive activities, and team-building experiences. Mr. Shamil T, Life Skill Trainer, conducted an engaging session on personal and interpersonal development, followed by an interactive session by Mr. Narayanan, Assistant Professor, PG Department of Commerce and Management Studies.

The camp also featured cultural programmes, a campfire, morning jogging and walking, campus cleaning activities, and participation in the Independence Day celebration. These activities promoted physical fitness, discipline, creativity, responsibility, and team spirit among the students. The camp concluded with a feedback session on 15th August, providing students an opportunity to share their experiences and learning. The residential camp was a meaningful and memorable experience that contributed to the students' overall personal and professional development.

Workshop On Artificial Intelligence and Machine Learning

The Department of Computer Science, St. Mary's College, Puthanangadi, organized a four-hour workshop on "Artificial Intelligence and Machine Learning" for Second Year BSc AI students on 13 July 2026 at Cysbreeze Technologies Pvt. Ltd., Kinfra Technopark, Calicut. Conducted under the theme "Explore. Learn. Innovate.", the session introduced students to the fundamentals of AI and Machine Learning and their applications in real-world contexts.

The workshop included hands-on programming and practical exposure using industry-relevant tools such as Python, Scikit-learn, Pandas, and Jupyter Notebooks. Students engaged with data-driven concepts, predictive models, and practical case studies, gaining valuable industry-oriented learning. The programme concluded with an interactive Q&A and feedback session, enriching students' understanding of emerging AI and ML technologies.

PG Department of Economics

ABOUT THE DEPARTMENT.

The Department of Economics is one of the oldest and main constituent departments of St. Mary's College, established in 2010 and turned postgraduate in 2020. It offers courses on B. A and now the department is becoming a post-graduate department of economics and it attracts the largest number of students at the undergraduate. Since its inception, the department has been committed to promoting high-quality and relevant Teaching. During the last 10 years, the Department has carved out a niche in Economics and many of its alumni have distinguished themselves in both academic and administrative spheres at the national and international level.

The Department has 4 faculty members and the strength of the department is in our faculty with a wide range of specialties in economics. Teaching & learning at the department is focused on the proper blending of 'excellence' and 'relevance'. We provide a balanced approach focused on both theoretical as well as applied Economics. The rigor and flexibility of our programs not only prepare students to embark on challenging careers upon graduation, but to pursue advanced degrees in their areas of interests. The Department of Economics is the hub of several academic and co-curricular activities. The department has organized numerous prestigious academic conferences and workshops.

Vision

The department envisions achieving high standards of academic performance for students , equipping students with knowledge and skills in their chosen stream, and providing opportunities for students to realize their full potential and thus shape them into future leaders to address the emerging global challenges and to deal with economic, social, and business realities

Mission

The mission of the Department of Economics consists of two interconnected components: imparting the highest quality instruction to our undergraduate and graduate students and training students in the methods and ideas of modern theoretical and applied economics.

Community Outreach: Extension Programme at Anganwadi

On June 1, 2026, the Postgraduate Department of Economics at St. Mary's College, Puthanangadi, in association with the IQAC, organized an Extension Programme at the local Anganwadi as part of its community outreach initiatives. Designed to promote social responsibility among students while supporting early childhood development, the event brought together faculty members and students for an interactive day with the children. Participants conducted various engaging activities, including educational sessions, storytelling, games, and recreational exercises. The initiative provided students with hands-on insight into community welfare services and early childhood care while developing their empathy, leadership, and communication skills, successfully strengthening the institution's commitment to civic engagement.

Environmental Initiative: World Environment Day "Eco Bloom"

To mark World Environment Day on June 5, 2026, the Postgraduate Department of Economics hosted a green initiative titled "Eco Bloom" centered on the theme "One Tree, One Step Towards a Greener Tomorrow." Starting at 9:30 AM, students and faculty members actively participated in a tree planting drive across nearby houses surrounding the college campus. The programme aimed to foster ecological awareness, promote sustainability, and encourage active community involvement in environmental protection. By planting saplings directly in neighborhood homes, the department reinforced the message that individual action is essential for nurturing a greener future and protecting the planet for generations to come.

Collage Making Competition

Department of Economics, St. Mary's College, Puthanangadi, organised a Collage Making Competition on 16 July 2026 from 11:50 AM to 1:30 PM at Room No. M38, based on the theme "Population Through the Lens of Art." The programme witnessed enthusiastic participation from students, who creatively presented their perspectives on various population-related issues through attractive and thought-provoking collage presentations.

The competition aimed to create awareness among students about population dynamics and their impact on society, while providing a platform to express their understanding through creative art. It also focused on promoting awareness of sustainable development, resource management, environmental concerns, health, and quality of life. Through artistic expression, the programme encouraged students to develop their creativity, critical thinking, and visual communication skills, while reflecting on contemporary population challenges and their wider social implications.

The initiative successfully combined artistic creativity with social awareness, fostering meaningful reflection on population and sustainable development.

Research Orientation Programme:

The PG Department of Economics successfully conducted a Research Orientation Programme for final-year UG and PG Economics students. The session was led by Ms. Shilpa K., Senior Research Fellow, NIT Goa, who provided valuable insights into research methodology, the research process, and the importance of academic research. The programme was inaugurated by Rev. Fr. Dr. Denny C. M., Principal, and presided over by Mrs. Sreedevi V., Head of the Department.

The programme aimed to introduce students to the fundamentals and significance of research in higher education and create awareness about research methodology, ethics, and the various stages of the research process. It also focused on developing students' analytical and critical thinking skills through research-oriented learning and encouraging them to consider research as a career option. The session familiarised students with research opportunities, scholarships, fellowships, and doctoral programmes, while motivating them to explore higher education opportunities. The programme successfully contributed to fostering a research-oriented culture among final-year UG and PG Economics students and encouraged them to develop a deeper interest in academic research.

Intercollegiate Quiz Competition

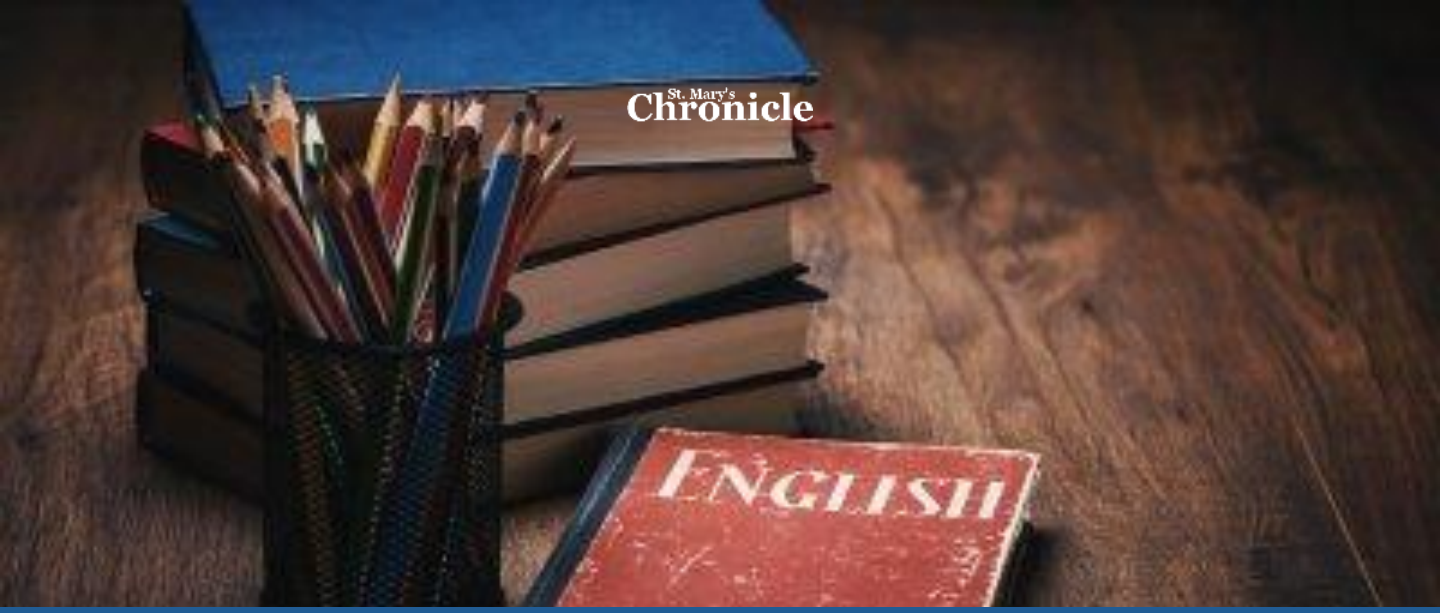

The PG Department of Economics, St. Mary's College, Puthanangadi, successfully organised an Intercollegiate Quiz Competition in connection with the Independence Day celebrations on 17 August 2026 at 10:00 AM. The competition was based on the theme "Current Changes in Indian Economy" and provided an engaging academic platform for students from different colleges to participate in a healthy spirit of competition.

The programme aimed to enhance students' awareness of recent developments and emerging trends in the Indian economy and to encourage them to broaden their knowledge beyond the classroom. The quiz also promoted critical thinking, quick decision-making, teamwork, and academic interaction among participating students. Students enthusiastically participated in the competition and demonstrated their knowledge and understanding of various aspects of the Indian economy.

The programme successfully created an opportunity for students from different institutions to interact, share knowledge, and develop a deeper interest in contemporary economic issues. Attractive cash prizes were awarded to the winners, adding further encouragement and enthusiasm to the competition. The event concluded successfully, fulfilling its objective of promoting economic awareness and fostering healthy academic competition among students.

PG Department of English Language and Literature

ABOUT THE DEPARTMENT.

Department of English has been one of the prominent departments of the college before and since its inception as an independent department in 2010, beginning with an undergraduate programme in English language and literature. Since then, Prof. PP John has been effectively leading our department. The learning environment is enhanced by the use of smart classrooms and efforts are taken to ensure that the learning process is innovative and progressive, giving due importance to problem-based learning. The MA course in English Language and Literature was started in 2012. The department imparts holistic education aimed at molding students into socially conscious, academically efficient, professionally successful, and personally confident individuals. As and when possible, teachers of the department guide students to make the best possible use of both our library that has a very good collection of books and the internet.

The English department strengthens the liberal education of students by developing a deepened understanding of language and literacy, the value of critical reading and effective writing, and the richness of literature, past and present. We seek to foster knowledge and love of literature and language in our students. To this end, we will provide students in all emphasis areas with a coherent curricular framework. We will teach a variety of literary, analytical, pedagogical, and theoretical skills. We will teach students to speak, read and write effectively. We will encourage students to think deeply and reflect on what they have learned. We will encourage a love of learning and an appreciation for a liberal education.

Vision

Culture and Fraternity through Education….

To develop the college as a unique institution recognized globally for its educational excellence and innovation, focusing on the updating of knowledge and Skills through strong international initiatives and association.

Mission

The mission of the Department of Economics consists of two interconnected components: imparting the highest quality instruction to our undergraduate and graduate students and training students in the methods and ideas of modern theoretical and applied economics.

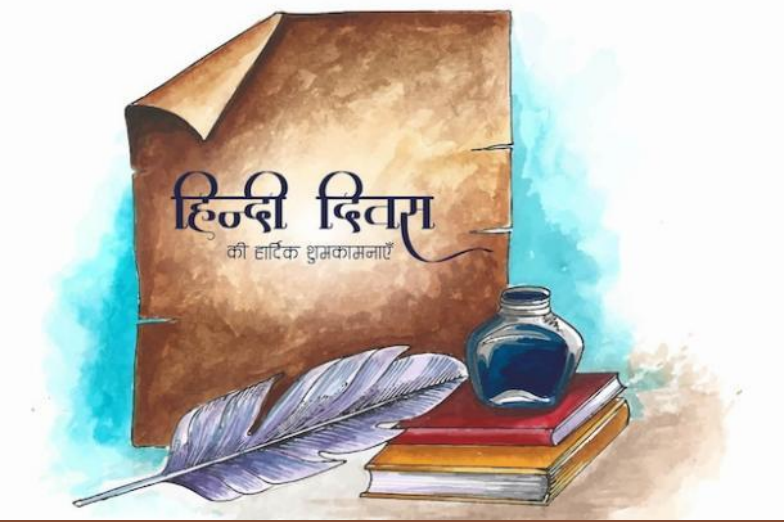

The Department of English organized a series of engaging programs during the first three months of the academic year, focusing on skill development and imbibing ecological consciousness.

The department in association with IQAC and the Verseville English Association, successfully organized Eco Craft – Rethink, Reuse, Recreate, an eco-friendly products exhibition, on 30 June 2026 at the college campus. The programme was organized with the objective of promoting environmental awareness and encouraging students to adopt sustainable practices through creativity. As part of the initiative, students prepared a variety of innovative products by repurposing waste and discarded household materials. The exhibition showcased how everyday items that would otherwise be considered waste could be transformed into useful, decorative, and functional products. Each exhibit demonstrated the importance of the principles of Reduce, Reuse, and Recycle, while highlighting the role of innovation in sustainable living. The programme reinforced the message that small individual efforts can collectively contribute to environmental protection and a more sustainable future.

On July 30, 2026, the department conducted a Soft Skill Development Workshop titled “English in Action”, for the first-year UG students. The session, held from 9:00 am to 1:30 pm, introduced students to the essentials of professional communication, with a special focus on the standard CV format and letter writing. The session was led by the faculty members of the Department of English, St. Mary’s College, Puthananagadi. The workshop proved to be highly beneficial, equipping students with practical skills that would help them in academic and career pursuits.

Both programs not only enriched the students with essential skills but also encouraged them to think critically and creatively, contributing to their holistic growth. Their active participation in the programs offered showcase the interest, enthusiasm and a sense of awareness on matters relevant in the contemporary scenario.

Department of Hindi

Department of Hindi organized a series of academic events aimed at the advancement of students.

On July 27, 2026, The Department of Hindi Conducted the Hindi Association Members Selection Programme. The Programme was organized to select the members of the Hindi Association for the academic year 2026-27. Students participated actively, and the selection process was conducted successfully.

The Department of Hindi successfully conducted a storytelling competition on 7 August 2026 in Room no L-75 as a part of Premchand Day. Students participated enthusiastically and narrated interesting stories. The programme was conducted smoothly and concluded successfully.

Department of History

ABOUT THE DEPARTMENT.

The department of history was established in the year 2017. It is our earnest desire and deep commitment to providing the best education to our students. The department of history envisions promoting quality education and research through interdisciplinary understanding, state-of-the-art learning, and the use of emerging knowledge for developing world-class human resources capable of mastering the global challenges of the future. The department seeks to create preserve and disseminate knowledge to build competitive capability for the holistic development of man and society. Hence, in history, we study change and continuity in society, economy, culture, and polity.

Teaching & learning at the department is focused on the proper blending of 'excellence' and 'relevance'. We provide a balanced approach focused on both historical and archaeological perspectives. It looks forward to a future of intellectual exchange at home and abroad, and to promote a better understanding of human experience through the lens of history. The Department of History is the hub of several academic and co-curricular activities. The department has organized numerous prestigious academic activities and exhibitions.

The department's mission is to introduce students to the breadth and depth of the human experience by a comparative study of past and contemporary societies and cultures and to develop their ability to conduct research, analyze and assess evidence, and articulate sound conclusions both orally and in writing. Transform the students into citizens who are critically informed about the past and its consequences for the present. The knowledge about the interconnections between global national, regional, and local history will equip the students to face the challenges with confidence. To fulfill our mission, at all levels of our curriculum we emphasize discussion and engagement with both primary sources and the interpretations of varied scholars.

Vision

The history department aims to make the student, aware of the past and its legacies through teaching and extension activities in Indian history in the context of world History. We also seek to impart essential skills such as writing, reading and communication. The department also fosters close interaction between students and teachers. Our small classes and seminars provide students a level of individual attention that is unusual for a large state institution.

Mission

The department's mission is to introduce students to the breadth and depth of the human experience by a comparative study of past and contemporary societies and culture, and to develop their ability to conduct research, analyze and assess evidence, and articulate sound conclusions both orally and in writing. Transform the students into citizens who are critically informed about the past and its consequences for the present. Knowledge of the interconnections between the global, national, regional, and local history will equip the students to face the challenges with confidence. In order to fulfill our mission, at all levels of our curriculum, we emphasize discussion and engagement with both primary sources and the interpretations of varied scholars.

World Environment Day

On 5 June 2026, the Department of History organized a 'World Environment Day' Programme on the theme "Awareness about the Protection of Nature," in alignment with global efforts to foster ecological consciousness. As part of the initiative, the department presented a sapling to the college's seminary - a gesture carried out through the collective teamwork of the fifth-semester B.A. History students. The department also presented an awareness video to the students and faculty. The event aimed to instil a deep sense of ecological responsibility among students and faculty. The event was designed to bridge the gap between historical awareness and future environmental stewardship, encouraging participants to reflect on the long-term impacts of human-nature relationships.

Soft Skill Development Programme

On 14 July 2026, the Department of History organized a Soft Skill Development Programme on the theme "English in Practice" for the Second-Year B.A. History (FYUGP) students, from 9:30 a.m. to 10:30 a.m., in Classroom M.28. The session was led by Mr. Anand C, Assistant Professor, PG Department of English, St. Mary's College, Puthanangadi. The programme was organized with the primary objective of enhancing students' confidence and communication skills in English, particularly for interviews, presentations, and workplace communication. The resource person conducted an interactive session that encouraged active student participation through practical activities and real-life communication exercises—all the students of II B.A. History actively participated in the programme and benefited greatly from the session.

Interactive Workshop on NPTEL

On 10 August 2026, the Department of History, in association with IQAC, successfully organized an interactive workshop on NPTEL Online Courses for the Third Semester B.A. History (FYUGP) students, from 9:45 a.m. to 11:30 a.m., at Classroom M.25. The session was led by Ms. Sneha KP, NPTEL SPOC and Head of the Department of Chemistry, St. Mary's College, Puthanangadi. The session provided hands-on guidance on navigating the NPTEL platform, selecting domain-relevant courses, completing registrations, and prepared the students for course participation. The class is really a great step towards empowering our students with modern, self-paced academic tools.

Department of Malayalam

MALAYALAVEDI

Malayalavedi organized a series of academic events aimed at the cultural advacement of students.

Malayalavedi and The Library and information Centre, St. mary's College, organized National Reading Day Celebration on 22 June 2026 at A.M.L.P School Pariyapuram. The program was conducted with the objective of promoting reading habits, creativity and language skills among school children. Various competitions were conducted as part of the program, including Rading competition, Open Mic Session, Letter-word play and letter tree. The event left a positive impact on the students and inspired them to develop a lasting love for books and reading.

Malayalavedi organized *Basheer Anusmaranam* on 23 July to commemorate the legendary Malayalam writer Vaikom Muhammad Basheer. As part of the programme, students presented a role play based on memorable characters from Basheer's literary works. Their performances beautifully reflected Basheer's humour, simplicity, human values, and realistic portrayal of life.

The programme concluded successfully with active participation from students and faculty members, making it a meaningful tribute to the "Beypore Sultan" and his rich literary legacy.

Department of Mathematics

ABOUT THE DEPARTMENT.

Department of Mathematics is one of the active departments in St Mary's College, Puthanangadi. It was started in 2011. The department offers a Bachelors Degree in Mathematics with Physics and Statistics as complementary. At present there are approximately 70 Under Graduate and Five Faculty Members in the department. The faculty members of our department are dedicated and determined.

Vision

Excellence in mathematical education and ensuring the overall development of the student

Mission

To Ensure and promote quality leadership in students

To encourage innovative practice in higher education

To organize training and workshop for related subjects

Department of Physical Education

Yoga Day Celebration (23 June 2026)

The International Yoga Day was celebrated on 23rd June 2026 at 10:00 AM in the College Seminar Hall in collaboration with the Department of Commerce. A total of 54 students actively participated in the session. The program was led by Mr. Shijil Prasad CP, Head of the Department of Physical Education, who served as the resource person. The session emphasized the importance of yoga in maintaining physical and mental well-being.

World Cup Celebration (23–24 June 2026)

A two-day World Cup Celebration was conducted on 23rd and 24th June 2026 from 11:00 AM to 5:00 PM at St. Mary's College. The event featured a variety of engaging activities, including a face painting competition, penalty shootout, flash mob, team name revealing, and trophy unveiling. The celebration concluded on 24th June with the "Dream Final" football matches among three teams: Brazil, Argentina, and Portugal. Portugal emerged as the winner, adding excitement and competitive spirit to the event.

FIFA World Cup Prediction Box (13–21 July 2026)

A “Predict and Win” initiative was organized in connection with the FIFA World Cup. The prediction box was placed on 13th July 2026, inviting students to participate by predicting match outcomes. The draw was conducted on 21st July 2026. Mr. Jaganathan from 3rd Semester BBA was declared the winner, having made accurate predictions.

Mini Marathon (21 July 2026)

A Mini Marathon was conducted on 21st July 2026 to encourage fitness and endurance among students. A total of 13 participants took part in the event. Mr. Irfan Muhammed (1st Semester B.Com CA) secured the first prize, followed by Mr. Sahal (5th Semester BBA) in second place and Mr. Shafi (3rd Semester B.Sc Psychology) in third place.

Orientation Programme for First-Year Students

An orientation programme on the topic "Lifestyle Diseases and Physical Activity" was organized for first-year students, with participation exceeding 300 students. The session focused on creating awareness about lifestyle-related health issues and the importance of regular physical activity in prevention and management. These initiatives reflect the institution's commitment to holistic student development by integrating health awareness, sports participation, and academic enrichment.

Department of Political Science

ABOUT THE DEPARTMENT.

The Department of Political Science was established in 2019. It is one of the youngest departments in the college. The Department currently has a strength of three permanent faculties and one guest faculty. BA Political Science was started with an intake capacity of 40 students. Politics is the most democratic of all sciences as the final judgments concerning political reality and good life are the responsibility of all. In this background, the study of political science as a subject is extremely helpful in view of it being the key to the understanding as well as the possible solution of all problems facing us in our contemporary times. Study of the subject opens up multiple opportunities for political science graduates. Students can choose from various fields such as civil services, law, journalism, print and electronic media, entrepreneurship, teaching, etc., for advancing one's career.

Our department offers 'Indian Constitution and Politics' as a complementary course to other disciplines of the college. It is also significant to point out that the Department offers an open course on 'Indian Government and Politics' to other UG Programmes in the college. Our department gives adequate exposure to students by involving them in activities outside the routine classroom teaching. Educational tours; essay, debate and quiz competitions are some activities that are organized to enhance students' skill and knowledge.

The faculty engages students in discussion and dialogue on various issues. The students are encouraged to take initiative to organize seminars, extension lectures, debates, camps, and declamation, etc. The department also arranges visit of students to legislative bodies as part of the course curriculum for them to have a first-hand account of the working of the seats of democracy. The grades of students in academic activities are consistently observed by the department and continuous effort to empower the skills of the students is done based on their individual capacities and talents.

Vision

To increase political awareness in Society.

To develop political leadership with the

sense of Social Commitment.
To provide systematic guidance related to Indian democracy and democratic organization.
To provide a platform to the students to exhibit their talents & creativity.

Mission

To develop political understanding.
To provide initial training of local self-administration, governing process and parliamentary affairs.
To develop leadership qualities among the students.
To develop a sense of civic responsibilities among the students.
To provide guidance for the preparation of competitive examinations.

Aims and Objectives of the Department

To avail the qualitative education in Political science at UG level
To ensure the overall personality development of students through extracurricular and co-curricular activities.
To organize various extension activities for cultivation of human values and National Integration.
To transfer the knowledge and skills for fulfillment of the changing needs of society in the process of modernization.
To invoke the political interest among the students.

Anganwadi Praveshanolsavam – Joyful Beginnings

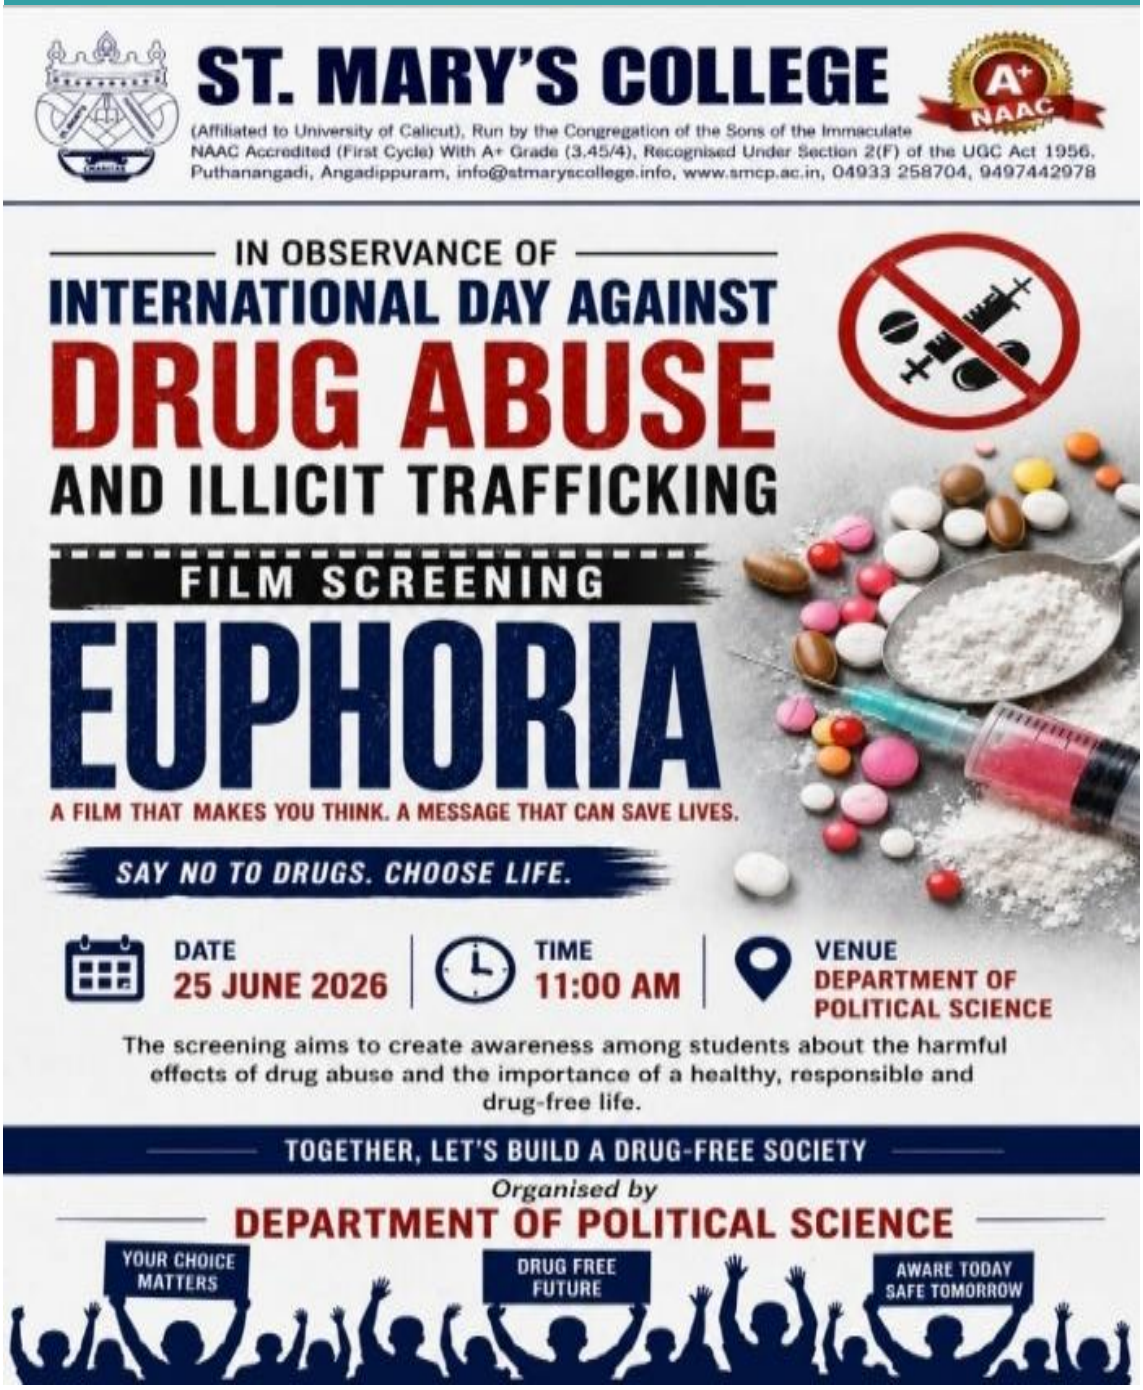

The Department of Political Science organized Anganwadi Praveshanolsavam – Joyful Beginnings on 4 June 2026 in collaboration with local Anganwadi centres. The programme welcomed 26 children and highlighted the importance of early childhood education and the role of Anganwadi centres in child development. Dr. Vinitha Varghese, Head of the Department, delivered the welcome address, while Ms. Veena A. expressed gratitude to the Anganwadi teachers. Department students distributed gifts to the children, making the event a joyful and meaningful community engagement activity.

World Environment Day Celebration 2026

The Department of Political Science, St. Mary's College, Puthanangadi, in association with IQAC, celebrated World Environment Day on 5 June 2026 by planting tree saplings and fruit-bearing plants on the college campus. The programme was inaugurated by Rev. Fr. Dr. Denny C.M, Principal, who highlighted the importance of environmental conservation and sustainable development. Led by Dr. Vinitha Varghese, Head of the Department, with the support of Ms. Veena A., Assistant Professor, faculty members and students actively participated in the tree-planting activity, promoting environmental responsibility and a greener campus.

International Day Against Drug Abuse and Illicit Trafficking.

The Department of Political Science, St. Mary's College, Puthanangadi, organized a film screening Of Euphoria on 25 June 2026 at 1 1 AM in observance of the International Day Against Drug Abuse and Illicit Trafficking. The programme aimed to educate students the devastating effects of drug abuse and illicit trafficking while promoting the importance of leading a healthy, responsible, and drug-free life. Through the screening of this socially relevant film, students were encouraged to reflect on the consequences of substance abuse and the need collective action in preventing drug addiction.

SAMVADHAM -Leadership Dialog Series

The Department of Political Science, in collaboration with the Electoral Literacy Cell, St. Mary's College, Puthanangadi, organized 'Samvadham – An Interactive Leadership Dialogue Series (Series I)' on 22 July 2026 at the AudioVisual Hall. The programme provided students with an opportunity to interact with Sri Manjalamkuzhi Ali, MLA, Mankada, and gain insights into leadership, democracy, governance and public administration. The session included an inaugural address followed by an interactive dialogue, during which students from all three years raised questions on parliamentary practices, education, public administration, employment, transport and constituency development. The MLA responded to the students' queries and highlighted initiatives related to education, public services and constituency development. The programme concluded with a vote of thanks. The interactive session witnessed active participation and encouraged students to engage critically with democratic governance and public affairs.

SWAYAM NPTL WORKSHOP

The Department of Political Science successfully organized a SWAYAM NPTEL Online Course Workshop on 27 July 2026 at Venue M26. The workshop aimed to introduce students to the SWAYAM NPTEL platform and encourage them to make effective use of online learning opportunities offered by India's premier educational institutions.The session was handled by Ms. Sneha K.P. Assistant Professor and Head of the Department of Chemistry, who served as the resource person. She provided a comprehensive overview of the SWAYAM NPTEL platform, highlighting its objectives, available courses, registration procedure, assignment pattern, examination process, certification, and the academic and career benefits of completing NPTEL coursesas

HIROSHIMA DAY

The Department of Political Science conducted a movie screening on 6 August at Venue M26 in observance of Hiroshima Day. Dr. Vinitha Varghese, Head of the Department, gave a brief awareness talk on the significance of Hiroshima Day, the devastating impact of nuclear warfare, and the importance of international peace. The programme helped students understand the value of peace, humanity, and global cooperation.

PG Department of Psychology

ABOUT THE DEPARTMENT.

Psychology is the study of the behaviour of the mind. The Bachelor of Science (B.Sc) Psychology course includes the study of motives, reactions, crisis management, emotions, social and human development, etc. The programme involves both theoretical and practical knowledge of the topics pertaining to it. B.Sc in Psychology is a three-year undergraduate course which is divided into six semesters. The course has been designed to impart a detailed understanding of the human brain and networks.

Vision

To impart quality education, updating skills and foster values, ethics among students.

Mission

To mold the students' overall and dynamic personality.

To Create awareness about mental health.

To prepare a nurturing ground for the holistic development of the students to make effective contribution to the society.

Academic Enrichment: Forensic Psychology Awareness Session

An orientation session on Forensic Psychology was organized by PSYFOREX in association with the PG Department of Psychology, St. Mary's College, Puthanangadi, for the students of 5th semester FYUGP Psychology on June 11 at 10:00 AM. The session aimed to provide students with foundational knowledge and practical insights into the field of forensic psychology. The session was handled by Ms. Kim Therezia, an experienced forensic psychologist and research scholar. She introduced students to the scope and significance of forensic psychology in the criminal justice system, highlighting the role of psychologists in criminal investigations, profiling, and legal processes.

Career Guidance: Career Orientation Class

The PG Department of Psychology, St. Mary's College, Puthanangadi, in association with HiG Edu Campus, organized a career orientation class titled "Opening Gateways to Academic & Career Pathways Beyond FYUGP Year 3" on 17th June 2026 (Wednesday) at 10:00 AM. The session was designed to guide fifth semester FYUGP students on the various academic and career opportunities available after completing their undergraduate programme. The programme featured Mr. Sahal Razi P V, Director, HiG Edu Campus, and Ms. Ayisha Thanseera M K, Psychologist and Academic Coordinator at HiG Edu Campus, an alumna of Central University of Punjab, as resource persons. The speakers enlightened students on higher education prospects, competitive examinations, and diverse career pathways in the field of psychology, along with practical guidance on planning for the future beyond their undergraduate studies.

Awareness Campaign: International Day Against Drug Abuse and Illicit Trafficking

On June 25, 2026, the PG Department of Psychology, St. Mary's College, Puthanangadi, in association with the Anti-Narcotics Cell, organized an Awareness Session on the occasion of the International Day Against Drug Abuse and Illicit Trafficking. The programme was held at the College Auditorium at 12:00 PM. The session was inaugurated by the Rev. Dr. Denny C M, Principal of St. Mary's College. The keynote session was delivered by Mr. Ramankutty K, Assistant Excise Inspector, Enforcement & Intelligence (EI) and Intelligence Bureau (IB), Malappuram, who provided valuable insights into the harmful effects of substance abuse, preventive strategies, and the legal implications associated with drug use and illicit trafficking.

PTACTP Add-on Course Orientation Programme – "Bridging Theory & Practice in Mental Health"

The PG Department of Psychology, in association with the Department of Social Work, organized the PTACTP Add-on Course Orientation Programme on "Bridging Theory & Practice in Mental Health" on 29th June 2026. The programme marked an inspiring beginning to a journey of learning, reflection, and professional growth for the participating students. The session was led by Mr. Mohammed Faisal, Psychologist and CEO of Akam Mind Care Pvt. Ltd., who offered valuable insights into the real-world dimensions of mental health. Through his practical approach, he empowered students with hands-on knowledge and a deeper understanding of compassionate care in mental health practice.

Freshers' Day Programme

The PG Department of Psychology, St. Mary's College, Puthanangadi, organized a Freshers' Day programme to formally welcome the newly joined students into the department on 14th July 2026. The event was conducted in a warm and festive atmosphere, providing an opportunity for the new batch to familiarize themselves with the department, faculty, and senior students.

Faculty Development: International Internship Programme

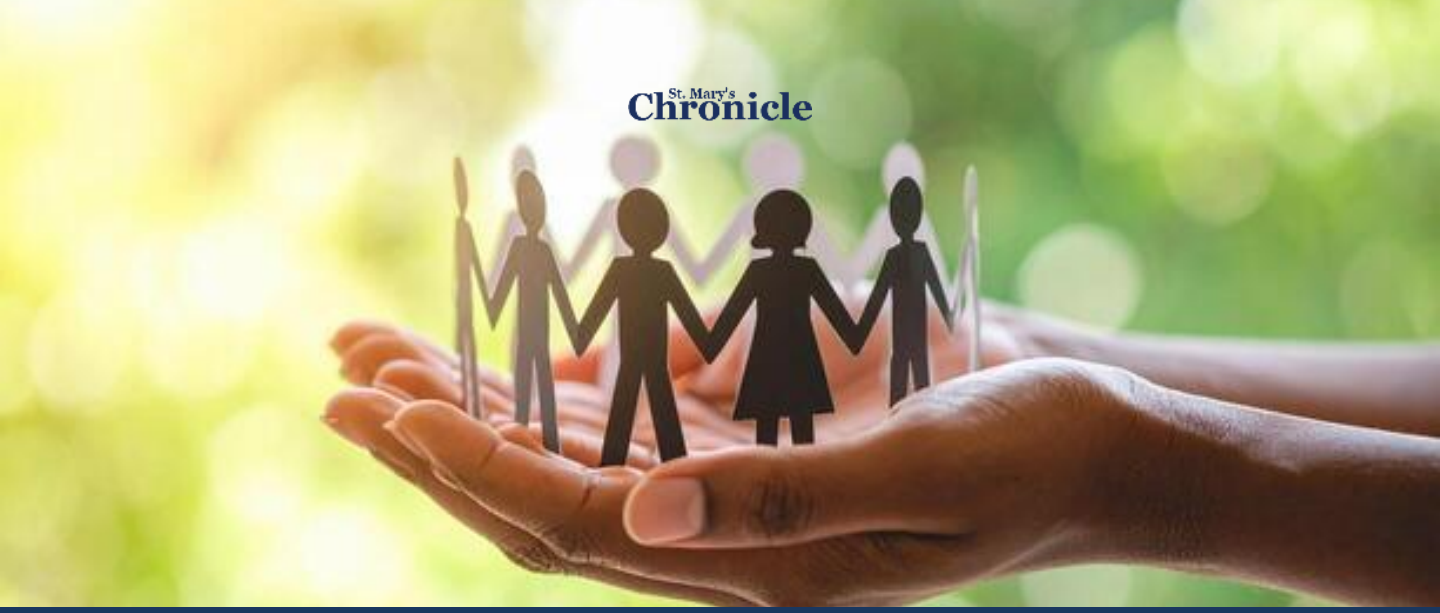

St. Mary's College, Puthanangadi, proudly announces the launch of the Pioneer Team under its Free Internship in Europe initiative. Ms. Safna, Ms. Sruthiraj M K, and Ms. Ashmin P Sajith of PG Department of Psychology have been selected as the first team of students to embark on this prestigious international internship programme. The team will undertake their internship at the Catholic University "Our Lady of Good Counsel" (Universiteti Katolik "Zonja e Këshillit të Mirë"), Tirana, Albania, commencing on 10th August 2026. This landmark initiative marks a significant step for the college in providing students with valuable international exposure, cross-cultural learning experiences, and enhanced career prospects on a global platform. The successful launch of the Pioneer Team reflects St. Mary's College's ongoing commitment to fostering global academic partnerships and empowering students through world-class opportunities beyond the classroom.

Digital Awareness: Cyber Security Awareness Programme on International Youth Day

The PG Department of Psychology, St. Mary's College, Puthanangadi, in association with the IQAC, organized a Cyber Security Awareness Programme as part of International Youth Day observance. The event was held on 17th August 2026 at the Audio-Visual Hall from 11:50 am to 1:30 pm. Ms. Greeshma E, Consultant Psychologist and DCRC Counsellor at Mannarkkad Police Subdivision, Palakkad, served as the resource person for the session. She enlightened students on the various dimensions of cyber security, emphasizing the importance of safe online practices, awareness of cyber threats, and protective measures to safeguard oneself in the digital space.

PG Department of Social Work

ABOUT THE DEPARTMENT.

The PG Department of Social Work recognizes the importance of understanding and addressing inequitable social structures and conditions for advancing individual and collective welfare and development.

The importance of supporting the struggles for social justice and social well-being of historically disadvantaged peoples and communities.

The importance conceptualizing the spaces of the social work field in broad terms, as including local, national, and international arenas, and individual, community, policy, and political-institutional contexts

Building a diverse and inclusive school environment. Towards that end, we recognize the importance of altering the cultural context of the school in ways that are welcoming to the cultures and belief systems of historically marginalized groups and communities.

The importance of accessible education; respectful and collaborative approaches to working with groups and communities; academic and intellectual freedom; collegiality; and open, democratic, and inclusive decision-making.

Vision

The PG Department of Social Work at ST.Mary's college Puthanangadi is committed to building a socially just society, defined as one that upholds and validates the values of equality, diversity, inclusiveness, democracy, and concern for human welfare. We manifest and advance curricula, scholarship, and school culture that are congruent with these values.

Mission

The School of Social Work engages in teaching, research, community initiatives and other scholarly activity to promote social justice. To this end, we educate students and collaborate with others to advance change within the social work profession, social institutions, and the broader society.

The Department of Social Work organized a variety of academic programs during the months of June to February of the academic year 2026-27.

The Department of Social Work organized a variety of academic programs during the months of June to February of the academic year 2026-27.

An Orientation Session on MSW Specialisation: On 15th June 2026, the PG Department of Social Work, organized an online Orientation Session on MSW Specialisation through Google Meet. The session was led by Mr. Vipin Joseph, Programme Implementation Lead, KHPT, Delhi. He provided valuable insights into various specialisation areas, career opportunities, essential professional skills, fieldwork, research, and ethical practice. The interactive session enabled students to clarify their doubts regarding higher studies, internships, and career prospects.

World Elder Abuse Awareness Day (WEAAD) 2026 Webinar: On 15th June 2026, KAPS, in collaboration with our college organized a webinar on World Elder Abuse Awareness Day 2026 through Zoom, under the theme "Growing Gracefully: Creating Age-Friendly Societies." Dr. Praveen G. Pai, Dr. Joe Thomas, and Mr. Aloysius James addressed participants on elder abuse, prevention, interventions, ageing societies, and geriatric social work. The informative webinar enhanced awareness of elder care, legal protection, community support, dignity, and well-being of older persons.

International Day Against Drug Abuse and Illicit Trafficking 2026 Awareness Programme: On 24th June 2026, the Department of Social Work organized an awareness programme at St. Mary's High School, Pariyapuram, in observance of the International Day Against Drug Abuse and Illicit Trafficking 2026, under the theme "Say No to Drugs, Choose Life." MSW students conducted awareness sessions for Class VIII students on the harmful effects of substance abuse, peer pressure, and healthy lifestyle choices. Interactive discussions, poster presentations, and question-and-answer sessions enhanced participation. The programme concluded with a pledge against drug abuse.

Srishti 2026 – Induction Programme: The Department of Social Work, St. Mary's College, Puthanangadi, organized Srishti 2026 – Induction Programme for first-year MSW students on 21st June 2026. The programme focused on "Social Work Profession, Skills and Scope" and was inaugurated by Rev. Dr. Denny CM, Principal. Dr. Anshad Kolathur conducted the expert session, highlighting professional skills, career opportunities, ethics, and social work practice. A cultural programme fostered student interaction and team spirit.

Third Semester MSW Field work: The Third Semester MSW students specializing in Medical and Psychiatric Social Work undertook fieldwork in premier mental health institutions, including NIMHANS, Bengaluru; SCARF, Chennai; Louis Mount Hospital, Wayanad; Maxmind Rehabilitation Centre, Kannur; CIMHANS, Koothuparamba; and Santhula Hospital, Koothattukulam. The field exposure aimed to provide students with practical experience in psychiatric social work, client assessment, counselling, rehabilitation, multidisciplinary teamwork, and institutional practices.

Observation cum Study Visit: The First Year MSW students conducted an Observation cum Study Visit to various social work settings to gain practical exposure to social welfare practices. The visit aimed to enhance their understanding of the structure, functions, services, and programmes implemented by governmental departments and non-governmental organisations. It also enabled students to observe professional social work practices and understand organisational functioning in diverse settings.

ANTI-NARCOTIC CELL

The Anti Narcotic Cell of the college has been constituted to ensure a drug- free campus by imposing a total ban on the possession or use of drugs and alcohol by students of the college, within or outside the campus/hostel.

The duties of the Anti-Narcotic cell include organizing awareness programmes in the college and hostels with the help of government authorized agencies/ organizations. Educating the students about the ill-effects of drugs and alcohol, encouraging peer policing among students against the use of drugs and reporting of any noticed use of drugs by the students to the students affairs committee are also the duties of the anti-drugs cell.

The extensive use of narcotics within and outside educational institutions has become a serious concern nowadays. Drug dealers target students both as carriers as well as clients. It's high time for teachers and parents to work against and eradicate this evil force. The highly energetic youth can be guided by educating and at the same time by warning against the adverse effect of narcotics. With this noble intention, we formed anti-narcotics cell in our college. We keep close contact with the excise and police departments and arrange programs to make the students aware of the strong legal force working against narcotics and inculcate respect towards parents, teachers and the Indian judiciary.

The Anti-Narcotics Cell organized a series of initiative-driven programmes to educate students and raise awareness about substance abuse.

On June 23, 2026, the Anti-Narcotics Cell organized a drug awareness class at Higher secondary school pariyapuram. Munasir Basil, the NSS volunteer handled the class.it was a highly effective programme that successfully teaches students how to stay safe from drugs and alcohol.

The Anti-Narcotics Cell of St.Mary's College, Puthanangadi, in association with Perinthalmanna Block panchayath, organized " TOOFAN WARRIOR" an anti-drug awareness programme on 31 July 2026 at 11.30am in the courtyard of the college. the programme was conducted with the objective of creating awareness among students about the harmful effects of drug abuse and promoting the message "Say no to drugs, yes to life".

ELECTORAL LITERACY CELL

Census Self-Enumeration Drive 2026

The Electoral Literacy Cell of St. Mary's College, Puthanangadi, organized a Census Self-Enumeration Drive from 24 to 30 June 2026 to create awareness among students about the Census of India 2026 and encourage responsible civic participation. Volunteers visited various departments, providing hands-on guidance to students in accessing and completing the Census Self-Enumeration Portal. The campaign successfully engaged students from across the college, with 316 students completing the self-enumeration process. The initiative enhanced awareness of the importance of accurate census data for effective planning, policy-making and national development.

Samvadham – An Interactive Leadership Dialogue Series

The Department of Political Science, in collaboration with the Electoral Literacy Cell, organized 'Samvadham – An Interactive Leadership Dialogue Series (Series 1)' on 22 July 2026. The programme featured Sri Manjalamkuzhi Ali, MLA, Mankada, and provided students with an opportunity to engage directly with an elected representative on issues related to democracy, governance, parliamentary practices, education, employment and constituency development. With 80 students participating, the interactive session encouraged critical thinking, political awareness and responsible citizenship while strengthening students' understanding of democratic governance and public participation.

Quiz Competition Independence Day

The Electoral Literacy Cell, in collaboration with the Department of Political Science, St. Mary's College, Puthanangadi, organized a Quiz Competition as part of the Independence Day celebrations on 14 August 2026 at 11:30 AM in the Seminar Hall (L64). The programme aimed to promote knowledge, patriotism, democratic awareness, and conscious citizenship among students. The competition was open to all students and provided an engaging platform to enhance their awareness of India's political and democratic system. The winners were awarded cash prizes of ₹1,000 for the first prize and ₹500 for the second prize. The programme encouraged students to participate actively in democratic learning and fostered a sense of responsibility towards the nation.

Library

Nature Photography Competition was held on 5th June 2026 as part of World Environment Day. World Environment Day is celebrated globally to inspire action for environmental protection and sustainable living. A panel of judges evaluated the submitted photographs based on originality, composition, visual impact, and relevance to the theme of nature and environmental protection. Mr. Mohammed Nisham C, a 5th-semester BBA student, was selected as the winner. The college principal, Rev. Dr. Denny C M, handed over the prize. The competition successfully encouraged participants to observe nature closely, express their creativity, and develop a greater sense of environmental responsibility.

The Library and Information Center and Malayalavedhi, St. Mary's College, Puthanangadi, organized National Reading Day Celebration on 22 June 2026 at A.M.L.P. School, Pariyapuram. National Reading Day is observed in India on June 19 every year in memory of P.N. Panicker, the father of the Library and Literacy Movement in Kerala. The program was conducted with the objective of promoting reading habits, creativity, and language skills among school children. The event commenced at 2:00 PM with a brief inaugural session. Various competitions were conducted as part of the program, including Reading Competition, Open Mic Session, Letter-word play and Letter Tree. The activities provided students with an opportunity to showcase their talents, improve their communication skills, and develop a deeper interest in reading and literature. As part of the program few books were donated to school library. The program concluded with a prize distribution ceremony and words of appreciation for all participants, teachers, and organizers.

The Library Orientation Program for the first-year students was successfully conducted from 13th July in the College Library. The programme was organized with the objective of introducing newly admitted students to the college library, its facilities, resources, services, and the effective use of information resources for academic learning. The orientation session was led by the Librarian, with the support of the library staff. During the programme, students were given a comprehensive introduction to the library's collection, library membership procedure, circulation system, borrowing and return rules, library regulations, and the importance of maintaining discipline within the library. Students were also familiarized with the various library services such as the Online Public Access Catalogue (OPAC), reference service, digital library facilities, e-resources, and information retrieval techniques.

NATURE CLUB

Tree Plantation Programme- World Environment Day

The Nature Club of St. Mary's College, Puthanangadi, in association with the Department of Computer Science, organized a World Environment Day Tree Plantation Programme on 5 June 2026 under the theme "Planting Today, Sustaining Tomorrow." The programme aimed to promote environmental awareness and sustainable practices among students. A total of 20 students, along with four faculty members and coordinators, participated in the programme.

The plantation drive was conducted along the roadside of Puthanangadi and within the college campus. Students planted saplings in selected areas, contributing to the enhancement of green cover and environmental conservation. The programme concluded successfully, reinforcing the importance of environmental responsibility and the collective commitment towards a greener and sustainable future.

Waste to Wonder

The Nature Club of St. Mary's College, Puthanangadi organized "Waste to Wonder – Transforming Waste into Creative Wonders" in connection with Nature Conservation Day on 30 July 2026 at Room L-64. The programme aimed to promote environmental awareness and encourage students to practice the Reduce, Reuse and Recycle principles through creative reuse of waste materials.

A total of 10 students participated in the activity and creatively transformed empty pens into decorative and utility products. The programme fostered creativity, teamwork, and environmental responsibility while highlighting the importance of reducing plastic waste and adopting sustainable practices in daily life.

NSS UNIT 149

Honoring Achievement: Felicitation for Agniveer Selection

The NSS Unit 149 of St. Mary's College, Puthanangadi, organized a felicitation ceremony to honor NSS volunteer Muhammed Junaid on his prestigious selection as an Agniveer in the Indian Armed Forces. Held on 22nd June 2026 from 12:30 PM to 1:30 PM at the AV Hall, the event celebrated Junaid's exceptional dedication, discipline, and commitment. Students and faculty gathered to applaud his patriotic achievement, highlighting his success as an inspiration for the entire campus while wishing him immense success in his upcoming service to the nation.

Social Awareness: Anti-Drug Campaign at St. Mary's HSS

To tackle substance abuse and advocate for a healthier society, NSS Unit 149 conducted an informative Drug Awareness Class under the banner "Say No to Drugs, Say Yes to Life!" on 23rd June 2026 at 3:00 PM at St. Mary's Higher Secondary School, Pariyapuram. Led by NSS volunteer Munasir Basil, the session provided students with crucial insights into the harmful physical and socio-economic effects of drug addiction, empowering the youth with knowledge to build a drug-free community.

Campus Cleanup: "Be the Change" Environmental Drive

Demonstrating their dedication to environmental stewardship, volunteers from NSS Unit 149 organized a comprehensive campus cleaning initiative titled "BE THE CHANGE" on 18th July 2025, starting at 9:00 AM on the St. Mary's College campus. Volunteers rallied together to clean, clear, and beautify the surrounding premises. The drive reinforced the importance of small individual actions in creating a cleaner, greener tomorrow and fostered a strong sense of civic responsibility among the students.

Life-Saving Service: Voluntary Blood Donation Camp

In alignment with the core NSS motto "NOT ME BUT YOU," the NSS Unit 149 of St. Mary's College organized a Voluntary Blood Donation Camp on campus in collaboration with the Blood Bank, Perinthalmanna. Inaugurated by the College Principal and coordinated by the NSS Programme Officer, the drive featured mandatory preliminary health check-ups and medical collections managed expertly by doctors and healthcare staff from Perinthalmanna. Active participation from students, teachers, and volunteers led to the successful collection of numerous blood units to support patients in critical need.

Digitalization Support & Institutional Recognition

Demonstrating active civic engagement and administrative assistance, NSS volunteers from the institution provided hands-on support to Booth Level Officers (BLOs) during the electoral roll digitalization process. In recognition of these dedicated efforts, valuable cooperations, and contributions toward the digital enumeration/summary revision camp, the institution was awarded a formal certificate and a memento of appreciation during the official ceremony.

ST. MARY'S COLLEGE: A LEGACY OF EXCELLENCE AND GROWTH

St. Mary's College, Puthanangadi, stands as a distinguished symbol of academic excellence and holistic education, proudly recognized as the first educational institution established by the Congregation of the Sons of the Immaculate Conception (CFIC) in India. Since its inauguration in 1996, the college has been at the forefront of empowering students with quality education and nurturing their potential for success.

What began as a modest institution offering Pre-Degree courses has grown into a dynamic center for higher education, offering a diverse range of undergraduate and postgraduate programs. The college provides exceptional learning opportunities across departments such as English, History, Economics, Political Science, Mathematics, Physics, Psychology, Computer Science, Commerce, Business Administration, and Chemistry. With a curriculum designed to foster both academic excellence and practical knowledge, the college ensures that students are well-equipped to meet the challenges of a rapidly evolving world.

The college offers dynamic and enriching postgraduate programs in English, Economics, Commerce, Social Work, and Psychology, providing students with advanced academic opportunities and specialized knowledge. These programs are designed to foster critical thinking, research skills, and in-depth understanding, preparing graduates for leadership roles in their respective fields. With a strong focus on academic excellence and practical application, the postgraduate courses at St. Mary's College empower students to excel in both the academic and professional arenas.

One of the college's greatest assets is its team of highly dedicated and accomplished educators, whose expertise and passion for teaching inspire students to achieve their full potential. These committed faculty members not only excel in their

respective fields but also act as mentors and guides, fostering an environment where academic excellence and personal growth go hand in hand. Their innovative teaching methods and student-centric approach ensure a transformative educational experience.

St. Mary's College was accredited by NAAC with an A+ grade in its first cycle in 2024, with an impressive CGPA of 3.45. This achievement underscores the college's commitment to maintaining the highest standards of quality education, infrastructure, and overall institutional development.

Over the years, the college has established itself as a hub for innovation and opportunity, providing a conducive environment for learning and personal growth. Its affiliations with premier universities and a commitment to progressive education have cemented its place as a leader in the academic landscape of Kerala.

St. Mary's College is equally committed to fostering the holistic development of its students. Through vibrant extracurricular programs, including the NSS, cultural forums, and departmental associations, students are encouraged to explore their talents and excel beyond academics. The active participation of students from various departments ensures a culture of collaboration and mutual growth, further enriching the academic experience.

With a steadfast focus on nurturing disciplined, socially responsible, and academically excellent individuals, St. Mary's College continues to shine as a premier institution, inspiring generations and shaping the future of the region with its unwavering dedication to quality education and community empowerment.
