

St. Mary's college turned to be the first educational institution of CFC in India when it was officially inaugurated by district collector of Malappuram, Shri. James Varghese IAS,

"Education is the most powerful weapon you can use to change the world.

" Nelson Mandela

St. Mary's College, a sought-after institution in Malappuram, has achieved 27 years of academic excellence, provided quality education and fostering empathy, understanding, and tolerance. The college's commitment to holistic education has enabled students to excel academically, personally, and socially. The Internal Quality Assurance Cell (IQAC) at St. Mary's College monitors teaching methods, curriculum design, and student support systems, contributing to the college's development and growth. The college's IQAC magazine showcases achievements and best practices, promoting transparency and accountability, and inspiring other educational institutions to strive for excellence.

As we all know, there are many advantages to being accredited, as it increases credibility and recognition within the industry. It is also important to note that accreditation can lead to better opportunities for career advancement. Individuals can uphold certain standards of quality and excellence. This can make the individuals more attractive and help them open up new doors towards their professional growth and development. Being accredited means understanding the institutional strengths, weaknesses, and opportunities through an informed review process.

It also identifies the internal areas of planning and resource allocation. Today, as I write this message, I am really thrilled to announce that St. Mary's College is accredited with NAAC A+ grade with overall CGPA – 3.45/4 in the 1st cycle itself. I do remember the hard work of everyone who contributed to this achievement. From the committed faculty members who relentlessly impart knowledge to the hard-working students who absorb it with passion, this accreditation is an exemplification to our collective efforts. It is truly a proud moment for all of us at St. Mary's College. This achievement adds another golden feather to our cap and validates the high standards of education we uphold at our institution. It not only reflects the quality of our academic programmes but also the commitment and passion of our entire community towards excellence. With this recognition, we are now more motivated than ever to continue striving for greatness and providing the best possible education for our students. I am grateful for everyone's hard work and dedication that have brought us to this momentous achievement. Onam and Christmas celebrations at the college showcased inclusivity and multiculturalism, fostering a strong campus community.

The N.S.S. Unit conducts camps, awareness classes, and personality development programs to instill social responsibility and civic engagement among students. The college union election allowed students to participate in the democratic process and showcase their leadership skills, promoting teamwork and service to the community. These events contribute to the college's standing as a premier institution.

Our college offers association programmes that provide students with networking opportunities, internships, job opportunities, and academic and career development resources. These programmes also offer workshops and events for students to gain skills outside the classroom. Our high-quality education prepares students for success in their chosen fields, with expert professors guiding and mentoring students throughout their academic journey. Our diverse range of programs allows students to pursue their passions and excel academically.

Sports and athletics in our college are given equal importance and encourage students to explore their talents in both fields. The college offers a wide range of sports activities, such as football, basketball,

Additionally, the college organises annual cultural events where students can showcase their artistic talents in dance, music, drama, and various other forms of performing arts.

Our college promotes diversity and inclusivity by encouraging students from diverse backgrounds to share their ideas. They create a campus community where everyone feels valued and respected, celebrating individual perspectives. We believe teamwork is the most effective way to achieve success, as it enhances productivity and satisfaction. Cultural exchange programs and diversity workshops help create a culture that celebrates individual perspectives, contributing to a better college experience.

Department of Physical Education

SPORTS NAME REVEALING PROGRAM

On November 29, 2023, the college staged the sports name revealing program. The program inaugurated by the principal of St Mary's College Puthanangadi. A group of students were arranged a flashmob to related to sports. Then the college principal officially announced the name of sports meet 2023-2024. DEPARTMENT OF MATHEMATICS

"Chess is the Gymnasium of Mind" – Blaise Pascal

The game of chess is loved in all over the world. Playing chess can improve cognitive skills like memory, planning, and problem-solving. So Department of Mathematics in association with IQAC conducted an inter department chess competition as a remembrance of the great Mathematician Blaise Pascal.

STATMANIA – Intercollegiate Quiz Competition:

National Statistics Day is observed in India on June 29th every year. It is a day dedicated to commemorating the birth anniversary of the renowned statistician Professor Prasanta Chandra Mahalanobis. This day aims to create awareness about the importance of statistics in socio-economic planning and policy formulation. Department of Mathematics in association with IQAC conducted an intercollegiate quiz competition in order to celebrate national Statistics Day. Students from various college participated in the program. The program was successfully planned, organised and conducted by students of Maths department. It was an opportunity for students to show their talents.

Department of English

On 17/08/2023 the Department of English in association with IQAC conducted an Essay Writing Competition on the topic "Is Freedom a Myth?" The programme was conducted in the Seminar Hall of the college at 11:15 AM. A total of 10 students participated in the programme. The programme coordinator was Ms. Keerthi S, Assistant Professor of English. Shanima Gafoor (V Psychology), Razeef (III B.Com CA) and Mohammed Fayiz (III B.A Political Science) grabbed the first, second and third positions respectively.

Department of Political Science

Puthanangadi, Kerala, India

The Anganwadi Praveshanolsavam, organized by the Department of Political Science, took place on 1st June 2023. The event was conducted in collaboration with local Anganwadi centres and targeted parents, guardians, and community members. The program saw the participation of 41 students from nearby Anganwadi centres. The event commenced with a welcome address by Dr Pooja A, the event coordinator. She emphasized the importance of early childhood education and how Anganwadi centres play a vital role in the development of children. The event was structured to provide valuable insights into the various activities and facilities Anganwadi centres offer. The students from the department distributed gifts to the kids.

The Mime Performance on Justice Day, centred around the Bilkis Banu Case, was successfully organized by the Electoral Literacy Club of the Department of Political Science on 21-07-2023. The event aimed to shed light on the importance of justice and human rights through the powerful medium of mime. The mime performance commenced at 12:30 PM at the open auditorium on the college campus. The event saw enthusiastic participation from students, faculty members, and staff. The mime performance was a collaborative effort by the members of the Electoral Literacy Club. Through a series of impactful mime acts, the performers portrayed various aspects of the Bilkis Banu Case, highlighting the challenges faced by the victim and the pursuit of justice. The mime acts effectively conveyed the emotional and legal complexities of the Bilkis Banu Case, contributing to raising awareness about human rights violations and the pursuit of justice.

The Department of Political Science, in collaboration with IQAC, organized a debate competition in celebration of Pride Month on June 27, 2023. A total of 18 teams participated in the event. The competition consisted of three rounds. After the first round, seven teams were selected based on their performance to proceed to the second round. Subsequently, four teams were chosen from the second round to advance to the third and final round. Of these four teams, two were ultimately selected as the winners. The esteemed judges for the debate competition were Ms Athira, an Assistant Professor from the Department of Psychology, and Mr Sajith, an Assistant Professor from the Department of Economics. Their expertise and insights greatly contributed to the evaluation process. The students who took part in the competition exhibited active engagement and demonstrated a comprehensive understanding of the concept. Their knowledge and grasp of these topics were apparent throughout the debates, making the event intellectually stimulating and thought-provoking. In the end, the winners of the competition were as follows:
First place: Nimisha and Shameema from the Department of Chemistry
Second place: Sinju and Keerthana from the Department of Commerce (BBA)
These deserving teams showcased exceptional debating skills, thorough research, and persuasive arguments, earning them their respective positions. The competition was resounding success, fostering a platform for healthy discourse and promoting inclusivity and diversity.

The Rangoli Making Competition, held on August 21, 2023, in connection with the Independence Day celebrations, was a vibrant and engaging event that beautifully captured the theme of "Unity in Diversity." Organized by the Department of Political Science at St. Mary's College Puthanangadi, the competition aimed to celebrate the rich tapestry of India's cultural heritage while fostering a sense of unity among students. A total of 13 teams from various departments participated in the event.
After hours of intricate design work and creative expression, the judges had the challenging task of selecting the winners. The results were as follows:
First Prize: First Semester Political Science
Second Prize: First Semester Economics
Third Prize: Fifth Semester Psychology
The winning teams demonstrated exceptional artistic skills and a profound understanding of the theme, effectively translating the concept of unity in diversity into their rangoli designs.

The Vaikom Muhammed Basheer Literary Symposium was a significant event organized by the Department of Political Science, with Muhammed Suhail C, an Assistant Professor, serving as the coordinator. The symposium aimed to celebrate the life and literary contributions of the iconic Indian author, Vaikom Muhammed Basheer. The judges of the programme were Librarian Mr.Akshay and Miss Biji Mol from the Malayalam Department. They were responsible for evaluating the student presentations and creative writing workshop, providing feedback, and possibly contributing to the panel discussion as experts in their respective fields. The Vaikom Muhammed Basheer Literary Symposium was inaugurated with great honor by the Principal, Fr. Denny Cholappallil. His presence at the event signified the importance the institution placed on celebrating the literary legacy of Vaikom Muhammed Basheer and promoting cultural appreciation among students. During the inaugural ceremony, the Head of the Department (HoD) of the Department of Political Science, Muhammed Rafi M delivered insightful remarks about the programme.

Department of Psychology

On 05/06/2023 the Department of Psychology in association with IQAC conducted an extension programme with the title PLANTING SAPPLINGS FOR A BETTER TOMORROW – AT SAKETHAM OLD AGE HOME, ANGADIPPURAM . Under the guidance of 2 teachers , 29 students of second year BSc.Psychology organized the program. After an official address by The Care taker of the institution, the students planted the saplings they collected with the guidance of the elderly inmates. After the program an interactive session was organized with the inmates. Sweets were distributed and students expressed their concern towards them with a token of love. The programme was a huge success with the active participation of the students and the immense co-operation of the elderly people.

The Department of Psychology in association with IQAC conducted an extempore competition with the topic "The evil impact of Drugs " On 2 PM at the Old library Hall .A total of 13 participant from various departments, registered for the competition, where

On 16/06/2023 the Department of Psychology in association with IQAC conducted a poster making competition with the title SENSE OF LIBERATION ON PRIDE MONTH from 1:45 to 2:45. 11 group entries submitted by students from various departments and backgrounds. The programme was a huge success with the active participation of the students and they were performed well. The submitted posters were a vibrant and creative mix of visual representations of LGBTQ+ pride and the "Sense of Liberation" theme. The winning posters were displayed in a dedicated exhibition space on campus throughout Pride Month. Winners were awarded with certificates of Appreciation.

Each participant had a brief preparation time of 2 minutes, to gather their thoughts and structure their speeches within 5 minutes. The Extempore Competition was a resounding success showcasing eloquence and passion of our participants along with their awareness. Winners received certificates of achievement.

World Suicide Prevention Day

On 08/09/2023 the PG Department of Psychology in association with IQAC conducted a seminar with the title Working Together to Prevent Suicide as part of World Suicide Prevention Day where Dr. Abdul Gafoor, Clinical Psychologist became the Resource Person. The seminar featured interactive sessions where participants learned to recognize signs of distress and had the opportunity to ask questions and share their thoughts. Strategies for suicide prevention, such as active listening, offering help, and connecting individuals to appropriate resources, were discussed in detail. The significance of peer support and communication was emphasized, highlighting that everyone has a role to play in creating a safe and supportive environment. Participants engaged in group discussions and case studies, enabling them to apply their knowledge in practical scenarios.

Department of Complementary (Hindi)

STORY TELLING COMPETITION

The Department of Hindi organized a story telling competition on 31-07-2023. The aim of the competition was to promote interest and knowledge of Hindi language and literature among students. The Hindi story competition was a successful event, it achieved its objective of promoting knowledge and interest in Hindi language and literature among students. It was an enriching experience for the participants and the department looks forward to organizing similar events in the future.

WORLD COMPUTER LITERACY DAY

World Computer Literacy Day, observed on 02 December, aims to encourage everyone to make full use of information and communication technology. It also wants to promote Digital Literacy among people, especially among children and youths.

Computers are now an essential element of human life due to the digital revolution in today's modern era. They can perform massive calculations in just a fraction of a second and bring information from around the world in the blink of an eye.

Evidently, we can see computers in all parts of life, from education to shopping, banking to entertainment, medical to daily routines, etc.

Digital Literacy is a set of skills that enables individuals to create, use, evaluate, modify, and share digital information, products, and services. It involves using new information technologies to achieve or maintain professional and personal goals.

The Department of Commerce and Management Studies at St. Mary's College, Puthanaggadi, organized a Quiz Competition on 1/12/2022 as part of the World Computer Literacy day celebration at Seminar College Auditorium. The event aimed to create awareness about the efficient use of computers and digital literacy.

National Reading day

"The more that you read the more things you will know. The more you learn the more places you will go."-

National Reading day

The day began as a movement to promote the culture of reading to inculcate the habit of reading and promote book-mindedness among school children, youth as well as the underprivileged population of the country, according to the foundation. Reading is one of the very oldest habits that have been done for several years.

Before Movies, Theater, TV, and Netflix, reading was one of the biggest modes of entertainment. But with the growth of technology, the amount of people reading or buying books has been reduced drastically. People in this century want everything instant like instant coffee, fast delivery, short messages, etc.

Reading an actual book makes us calm, concentrated, and patient, which no e-book can do. That's why

National Reading Day is celebrated to make reading a habit. The day is celebrated by conducting events and competitions regarding reading.

The Department of Commerce and Management Studies at St. Mary's College, Puthanaggadi, organized a News

Reading Competition on 23/06/2023 as part of the National Reading Day celebration at M 38. The event aimed to promote the importance of reading and enhance the communication skills of the participants.

Social work and Perspectives: An orientation to MSW

PG DEPARTMENT OF SOCIAL WORK

INTERACTIVE SESSION

The PG Department of Social Work organised an interactive session on 04/10/23 for the students. The resource persons for the program was Dr. Jayanesh MK, a social expert from the Kerala Solid Waste Management Project (KSWMP). Dr. Arun K, HOD of PG Department of Social Work welcomed and addressed the program and marked the start into the session. The interactive session encompassed topics such as the significance of a waste management system, the involvement of social workers, diverse possibilities and career prospects, the incorporation of research in the course curriculum, some specific research subjects, and areas where further investigation could be beneficial. The session concluded with expressions of gratitude and feedback from two students, Shadiya and Neethu.

WORLD MENTAL HEALTH DAY OBSERVATION

On October 10, 2023, Tuesday, the PG Department of Social Work organized an observation for World Mental Health Day. The program was a collaboration with the SURAKSHA project, Kerala State Aids Control Society (Transgender Project) Perinthalmanna with Ms. Serin, the SURAKSHA project manager, serving as the resource person. Ms. Serin warmly welcomed and addressed the program, marking the commencement of the session.

We presented our mental health-related posters to them, and they conducted a brief awareness session on mental health. Additionally, they facilitated an interaction session with a member of the transgender community. This session proved to be very helpful and informative, as the resource person addressed the queries about their community and the challenges they face. A total of 8 students attended the session. The interactive segment with the community member provided profound insights into family pressure, professional inequality, gender discrimination, and societal stigma. The session concluded with expressions of gratitude.

CHILDREN'S DAY OUTREACH PROGRAM

Our department conducted an outreach program on November 14, 2023, in partnership with RICCCH organization at Angadipuram to commemorate Children's Day. The event, starting at 10:00 am, aimed to engage and support children diagnosed with developmental disorders. Nine students actively participated in this educational initiative. They orchestrated a delightful dance group performance tailored to bring joy to these exceptional children, showcasing our commitment to their well-being and happiness. The program focused on creating a positive and inclusive space for these children, aiming to celebrate the essence of Children's Day by spreading happiness and fostering a sense of belonging. The program concluded by 1.00 pm.

WORLD AIDS DAY PROGRAM

On December 11, 2023, in honor of World AIDS Day, our department organized two key activities: AIDS Ribbon and Leaflet Distribution, and a street play performance at Moosakutty Bus Stand, in collaboration with the SURAKSHA Project. The day commenced with distributing AIDS ribbons and informational leaflets among college staff and students, initiating awareness campaigns both within the college campus and in Puthanangadi Town. Starting around 9:00 am, students actively distributed leaflets and ribbons within the college premises, raising awareness. Subsequently, at 11:00 am, they extended this initiative to Puthanangadi Town, further amplifying awareness efforts. At 2:00 pm, in collaboration with the SURAKSHA Project, students participated in a rally at Moosakutty Bus Stand, Perinthalmanna and performed a street play on the same theme. The program concluded by 4:00 pm, encompassing various awareness initiatives to educate and engage both the college community and the public.

CSR AND CORPORATE VOLUNTEERING

The Student Development Program, initiated on December 7, 2023, marked the commencement of a series of online webinars dedicated to enriching the educational experience of our students in the field of social work. The inaugural session, titled "CSR and Corporate Volunteering," was conducted by Mr. Joyal Joshie George,

Corporate Engagement Executive at Akshaya Patra. This insightful session delved into the realm of corporate social responsibility (CSR) and the pivotal role of volunteering within corporate environments. The webinar, hosted on December 7, 2023, at 8:30 PM, garnered enthusiastic participation from students, faculty members, and guests alike. Students from our department along with other pupils from different colleges attended the webinar. The interactive nature of the session facilitated engaging discussions and the exchange of perspectives, creating an environment conducive to learning and knowledge-sharing. The session included topics like CSR, Corporate volunteering, Social work career opportunities, history of CSR and so on. The session was concluded after a Question and answer session and a student representative delivered a vote of thanks which marked an end to the webinar by 9.00 pm.
