## Faculty Team

The faculty team of our institution is a perfect mix of dynamic youngsters and highly experienced senior professors. We offer our students most updated comprehension of the discipline and the industry. We also enable our students with the power of knowledge, skill and attitude.

## Library and Reading Room

St. Mary's College provides a well equipped library for the use of the students. It has a comprehensive collection of books, encyclopaedias, dictionaries, books on personality development, general books and newspapers, magazines, periodicals, journals etc. The collection of books in the library meet the needs, the interests of the students and the staff in a diversified way. It provides resources and services to stimulate intellectual curiosity and facilitates learning within the academic community.

## Computer Lab

There is a well equipped computer lab with individual system, internet connection and efficient faculty.

## Physics Lab

St. Mary's College provides you a well furnished physics lab. Our goal is to take you beyond the sound theoretical knowledge and give you hands on-experience, so that you are fully prepared for the demands and the challenges of the present world.

## Chemistry Lab

The chemistry laboratories at St. Mary's College give students the opportunity to perform experiments that explore important chemical concepts and introduce proper lab techniques and safety.

## Psychology Lab

We are providing a well equipped laboratory with psychological tests compatible with the existing syllabus of university of Calicut.

## Canteen

St. Mary's College is provided with a good canteen. It functions during the working hours and is open to all the students and staff.

## General Rules

1. Students should abide by the college regulations and also by such other regulations as may be formulated from time to time by the principal. Non-compliance with any of these regulations will be dealt with by the principal in the way in which he deems fit; and his decision shall be final in all these matters.

2. While the college does not hold itself responsible for a student's conduct outside its premises, the principal may take notice of any serious misconduct outside if it is likely to reflect badly upon the reputation of the college and he may take such action against the offender as he deems fit and proper.

3. While every effort will be made to keep the parents or guardians informed about any instance of serious misconduct on the part of their children, the principal does not guarantee that he will intimate in advance to the parents or guardians any action which he may decide to make against the students in the interest of the discipline in the college.

4. Our college property including valuable goods

like computer, Library Books, Sports Equipments, Furniture, Building etc., should be handled with care by the students of the college. Willful damage or disfigurement of college property by a student of the college will render him liable to serious disciplinary action.

5. No association, meeting or entertainment shall be organized or any fund collected in the college without the permission of the principal. No political activities will be allowed within the college campus.

6. All certificates from the college will be issued only after ensuring that all the dues in fees and library are cleared by the applicant and principal is satisfied with the reason stated by the applicant.

7. The College uniform is compulsory on all working days and at all college functions. The dress worn by the student shall always be clean, sober and dignified.

8. No smoking is allowed in the college premises and the use of other intoxicants is prohibited in the campus.

9. The mobile phone is strictly prohibited within the college campus and in the class rooms. Fit and proper action will be taken against the offenders by the principal or the person/persons duly appointed by him.

### Discipline in the Class Room:

All should stand up during the prayer at the beginning of the first period.

Students should enter the class immediately after the long bell and before lecturer enters in the class. Strict silence should be observed in the class room.

No students should leave the class room during teaching hour except with the permission of the lecturer.

Irregular attendance, insubordination to teachers, constant indifference to studies and class work, indecency in word or act are sufficient reasons for the temporary or permanent dismissal of a student.
